

About Holy Family Catholic School's Early Childhood Program:

Holy Family Catholic School is proud to offer early childhood education. Our goal is to provide a safe and loving environment where the children can learn and play. The Preschool and Pre-K program at Holy Family Catholic School encourages children to cultivate their natural curiosity to learn, experiment, be independent, problem solve, be creative, and use their imagination.

Our program seeks to develop the whole child. Play-based, teacher-lead, and child-lead lessons introduce the children to academics and social emotional lessons that are developmentally appropriate for our 3- and 4-year-olds. Through play, exploration, and personal relationships, our early childhood learners receive the academic preparation they need for long-term school success. We care about your child's development and we're proud to offer them a warm, nurturing learning experience.

- **Preschool:** Wednesday, Friday 9:00am -12:00pm

The Preschool Program is for children 3 years of age as of September 1st.

- **Pre-Kindergarten:** Monday, Tuesday, Thursday 8:00am – 2:00pm

The Pre-Kindergarten Program is for students the age of 4 as of September 1st.

Preschool Program:

Holy Family Catholic School's Preschool program exposes preschoolers to "pre-skills" that will develop school readiness: help them understand the routines of school, how to interact with their peers, become independent, and how to be students. Our Pre-3 program is designed with stations that provide free choice of engaging activities throughout the morning. Each day the children will experience circle time, music, art, outdoor time, pre-math, science, and pre-language skills. Our goal is to meet your child where they are developmentally, and curate play based lessons that will help him/her thrive.
