

34th Candlelight March for Life 2021

Let your Light Shine for all the World to See

After all that has happened, who will stand with us? Who will stand for what is right and good? Who will strive to stand for the TRUTH?

God is with us -- Emmanuel! But we must ask Him for His help and for mercy on our country.

Killing innocent babies by any reasoning is wrong. God help us. Open our eyes, Lord, to the Truth! "Thou shalt not kill."

Let us not be afraid of those who are on the wrong path.

What can we do? We can "let our light Shine for all the world to see" that we care. So bring your flashlights and candles and let *your* light shine. Together let's take a stand for the unborn!

Please join us to show your commitment to the Right to Life Movement.

The 34th Candlelight March will take place Thursday, Jan. 28.

We will gather at 6:30 p.m. in DeLeon Plaza; the march begins at 7. Please bring a candle or flashlight. We will pray the rosary while walking to Our Lady of Sorrows Catholic Church where we will have a guest speaker. Those who cannot walk can meet at the church.

There will be transportation back to DeLeon Plaza.

Everyone who is pro-life is encouraged to come.

This year's speaker will begin following the March.

She has a very powerful story you don't want to miss.

Bernie Seale,
St. Gianna Beretta Molla Pro-Life Ministry,
Holy Family Catholic Church
