

Online Bible Study for Youth Permission Form – Summer Session

Online Bible study summer session will be through Zoom on Wednesdays at 7:00pm from June 10 – July 22. We will be going over 7 basic habits for the Catholic Life; each week diving into one habit and learning about how we can practice that habit in our daily lives. This session is open to all Middle School and High School students at St. Joseph Catholic Parish.

The following steps will be taken to ensure the security of the teens and to comply with Safe Environment regulations:

- I will be sending the link for the meeting to those who provide permission via email each week. The link will not be posted publicly. This permission form is required for participation.
- A password will be required to join the meeting. This will be sent out along with the link.
- Each participant will be put in the “waiting room” before they are able to enter the meeting.
- I will be the only one able to share my screen.
- There will always be two safe environment trained adults logged in.
 - Myself and at least one other Trained Core Team Member
- All Bible Studies will be recorded for parish records.
- All private message settings will be turned off so participants and adults will not be able to private message each other.
 - Messaging will be on during the meeting, but will be public and participants will only be allowed to send a message to entire group not to individuals.
 - Messages will be downloaded at the end of the meeting for parish records.
- If any inappropriate content is shared at any time (including but not limited to: violent or sexual content in the background, through message, verbally spoken and/ or on camera) the person sharing this content will be kicked out of the meeting.

Please fill out, sign, and return to me via email (sgonzalez@stjoe88.org) the below registration form if your teen would like to participate in the Online Bible Study.
