

**St. Columba Catholic Parish**  
Many People, One Family of Faith, Love and Service

**New St. Columba Parish Directory!**  
**ADDED DATES!!!**

It has been a decade since the parish family last updated this photographic record of St. Columba's membership. The directory serves many purposes: it commemorates the people and place where you celebrated so many life events; it identifies the many faces that you see weekly but do not quite know and it reminds you that, as a St. Columba member, you belong to a loving community!

**The directory will be created by Allan's Fine Portraits for our parish.** Participating parish families (whether single, couples or families) will receive the following:

- Free directory (soft copy paper or CD), with option to upgrade to a hard copy
- One free 8"x10" portrait
- Professionally posed portraits with choices of elegant backgrounds
- Free light retouching of portraits
- Option to update portrait CDs annually to add new family members (babies, spouses, etc.)
- Online, password protected access for parish members to the directory at the St. Columba website

**Portrait dates and times:** The schedule below reflects the initial photo sessions. As appointment times fill in, more dates will be added.

**Weekends of January 23-24 and February 6-7**  
Session times are 10am to 5 pm
