

Coca-Cola Baggie Labels

Thank you for providing much needed funds to help Holy Spirit teachers buy classroom supplies. Please put Coca-Cola caps and packaging with reward codes in a separate plastic baggie labeled with your student's name, teacher, grade and number of items. Baggies can be sent to school **at any time** and will be collected from the classrooms on the last Thursday of each month. Simply cut out and complete a label below, and include it in the plastic baggie with your Coca-Cola codes.
