

HOLY SPIRIT

CATHOLIC SCHOOL

MIDDLE SCHOOL (Grades 6-8)

ACADEMICS

We offer a well-rounded, balanced curriculum including various core and “special” classes to meet the various needs of the middle school students.

SPANISH

We start offering Spanish to students in early elementary grades. Many students test into second year Spanish as a freshman upon completing the Spanish classes at Holy Spirit.

MAP TESTING

Holy Spirit Catholic School administers the Measure of Academic Progress (MAP) test in middle school. Students in grades 6-8 take Language Usage, Math, and Reading. Our students consistently perform above the national average on MAP tests.

TECHNOLOGY & ONE-TO-ONE PROGRAM

Students in middle school work towards gaining the 21st century skills that will help them be successful adults of critical thinking, creating, collaborating, communicating, and being media/technology literate.

COUNSELING

At Holy Spirit Catholic School, we believe in educating the whole child, which is why we have a school counselor on staff to help with students’ emotional and psychological education. Our school counselor provides classroom guidance lessons, and small group and individual counseling. They also provide various personal safety, suicide prevention, and career conferencing in grade 8 lessons.

FAITH

Every middle school grade level attends a class retreat, put on by our parish Youth Ministry department, as well as an overnight trip to Camp Tekakwitha to explore the outdoors and their faith.
