

MEMORANDUM

TO: School Parents

FROM: Office of Catholic Schools

DATE: March 12, 2020

RE: Coronavirus outbreak

Regarding the questions coming in concerning the COVID-19 or the Coronavirus, the Diocese of Green Bay has issue the following statement regarding our Catholic Schools:

At this time, our school continues to ensure a safe and healthy school by following the guidelines and regulations established by the Centers for Disease Control (CDC), Wisconsin Department of Health Services (DHS), and each County's Health Department. As the situation evolves, we will continue to meet and take appropriate actions to keep our families informed and our children safe. We ask for your prayers during this time to help keep everyone healthy. Links to the CDC, Wisconsin DHS, and each County Health Department can be found at the links below and at www.gbdioc.org/COVID-19.
