

Advent Prayer

Are you ready for the new Church Year? Advent begins next week and marks the beginning of the new year in the Church. Advent is all about preparing for Jesus, not just as he comes to us in the manger at Christmas, but into our daily lives, and when he comes in the fullness of time. Start out the "new year" by drawing closer to Jesus through prayer and reflection.

FORMED

OLP has subscribed to an incredible new resource for our community to access! It is called "Formed;" you can find all kinds of books, movies, talks, reflections, and more centering around faith for free! For Advent reflections just go to formed.org/advent and signup! We will also have recommendations for other formed content in our weekly e-newsletter and on the bulletin boards during Advent.

FAMILY PRAYER AND OTHER RESOURCES

Visit our website: olpmn.org/advent for resources to pray together as a family such as an Advent activity calendar and Advent Wreath prayers. Additional resources for Advent reflections, like those from Bishop Barron can also be found on our website.

BOOKLETS

Activity handouts for small children and booklets for adults who need a physical copy of reflections will be available by the entrances into the church upstairs along with a basket for a free will offering to offset the cost of purchasing these items.
