6:00-7:00 pm

Present: Fr. Ellis, Paul Berry, Megan Schuchman, Dave Marrese, Cora Pine, Maura Carland, Charlie Allen, Kris Swarthout, Colleen Lacey, and Kathryn Manahan

Father Ellis led the group in prayer. Paul Berry took the group on a tour of the school highlighting all the improvements and changes that were made this summer. See the Principal's report for a detailed list of all the 3R updates.

There were not minutes taken in May minutes to review and approve.

Agenda Items:

- SAC participation at Back to School Night: what do you need? School Advisory will host refreshment tables on first and second floors during Back to School Night.
- September calendar – Activities to promote are Chalk the Walk, Ice Cream Social and Back to School Night.
- Review of summer programming- Eagle Camp was a hit we had over 30 students participate over the course of the camp. Parent feedback was strong and positive. They loved the flexibility. They would like more STEM or academic components and a little less walking. Also the addition of themes was suggested.
- Eagles Nest recruitment- Laura Bauer is stepping down and Amy Marth is stepping in to keep the group at four.

- Employment status for teachers/staff. We have hired four new staff members. Garry Loufek for middle school math, Susan Coletti for music, Colin Blakely for art and Janet Matko for preschool.
