## Mission Statement

Our Lady of Peace Catholic School is a caring, collaborative community educating students to be critical thinkers and thoughtful leaders. We nurture the whole child, preschool through eighth grade, with challenging, forward-thinking curriculum, preparing students to respond to Christ's call to build peace at home, in school, in the community, and in the world.

Our School Philosophy Statement We Believe our School ...

- is committed to our students' academic excellence, to provide a foundation for their life-long learning and to prepare them to meet the rigors of the broader world
- embraces Christ and His teachings as our foundation whereby we continue His mission of love and service to others
- succeeds through open dialogue and active collaboration among parents, teachers, and students
- prepares our students with the knowledge and skills necessary to be successful leaders and contributors in their life's journey in the modern world
- gathers people together and extends a spirit of hospitality, fellowship, and community building

## Our Vision

It is the intent of Our Lady of Peace Parish that all families who wish to have their child(ren) attend Our Lady of Peace Catholic School and are committed to participating in the life of the parish, will not be prevented from doing so for financial reasons.

## Supporting Our Vision through Stewardship Gifts

In order to maintain tuition that is affordable to our families, we seek creative ways to fund Our Lady of Peace Catholic School including marketing to increase enrollment, paying down debt, growing our Support-a-Student program, and connecting with alumni and other sources.

Tuition pays only a portion of the amount needed to educate a child at Our Lady of Peace School. The actual cost of educating an Our Lady of Peace School student is over \$7500. We encourage families who are able, to consider a donation closer to the actual cost.

Stewardship gifts support, in part, education grants for our families who are unable to pay the full cost of tuition, while also funding the improvements of our parish and school facilities.

## Mutual Respect

Consistent with our Mission Statement and philosophy, we expect its members to act respectfully and responsibly with others. In any form of collaboration, disagreement and concern may happen. Good communication becomes essential in resolving issues. Productive communication involving disagreement or concern should not occur with the children present. Mutual respect will benefit everyone.

The following guidelines are to be used to guide communications between parents/guardians and school staff.

Please assist us by:

- Reinforcing school policy and authority.
- Talking and acting respectfully toward staff members.
- Demonstrating positive support for the staff in front of children.
- Contacting the staff member directly involved in the concern.
- Setting appointments with the staff members for meetings.
- Coming to the meetings with an open mind.
- Asking for all sides of the story before making conclusions.
- Developing relationships with your children's teachers.
- Being active members of the community by attending school events, volunteering, and/or joining a committee.
- Parents can expect mutual respect when communicating with school staff.
- Staff will reinforce school policy and authority.
- Staff will talk and act respectfully toward parents/guardians.
- Staff will contact parents/guardians directly involved in the concern and will not discuss school issues with parents/guardians not directly involved.
- Staff will demonstrate positive support for students and will not allow disagreement between staff and parent in front of students.
- Staff will maintain professionalism and confidentiality with issues concerning students.
- Staff will allow for scheduled meetings and will make an effort to respond to parent requests for communication as quickly as possible.
- Staff will listen to all sides of a story to help students and parents deal with difficult situations.

- The principal may deny admission to mid-year transfers. Admission tests may be administered prior to placement.
- Transfer students will be placed on a *six week probationary term*.

## Tuition

Tuition is an exchange for the service of providing education by Our Lady of Peace Catholic School. Tuition rates for each year are published and available to families. Parents are expected to pay the full amount of the tuition in a timely manner. Our Lady of Peace is not a loan company and needs the tuition payments to meet its financial obligations.

Tuition rates will be published to all families by the beginning of the registration process for the upcoming school year. Tuition rates will be set with input from the Our Lady of Peace School Advisory Council and approval of the Parish Finance Council and Pastor.

All families enrolled at Our Lady of Peace School must complete a Tuition agreement which includes payment options. The tuition agreement is completed online with TADS, our online tuition program and payment options are presented at that time. Tuition is considered due once the tuition agreement is completed.

Tuition is collected through the tuition management company.

Four payment plans will be available:

1. One lump Sum: One payment made in August prior to the upcoming school year.
2. Two Payments: payments made in August and January.
3. Ten Month: 10 payments made between August prior to the upcoming school year and May.
4. Eleven Month: 11 payments made between July prior to the upcoming school year and May.
  - Parents will choose a monthly due date from a number of options.
  - Auto-pay is the required payment option. Different payment options may be arranged by meeting with the pastor or principal. The payment will still be made by autopay.
  - Tuition payments must be current and prepayment must be made for students to be eligible to participate in extracurricular activities.

## Financial Aid

Financial aid may be granted to Preschool-8th grade families. Financial aid covers tuition up to the amount of the award. Preschool financial aid only available for the morning program, we do not have aid available for the after-care portion of the day. The family is responsible for any additional tuition and must follow the guidelines pursuant to this policy. Families requesting financial assistance must complete the application on TADS. All financial aid applications must be in good standing with TADS to be considered eligible for financial aid.

## Education Grants

Every effort will be made to make sure that all families who wish to have their children attend Our Lady of Peace Catholic School will not be prevented from doing so for financial reasons. Our Lady of Peace Catholic School has a generous Support-A-Student program to provide education grants for qualifying families. The Support-A-Student Fund is funded through donations. All gifts offered to the Support-A-Student Fund are designated for dispersal to families with children in our school according to established policies and procedures for determining need. No gifts to Support-A-Student may be designated for particular students.

Education grants are distributed to Our Lady of Peace Catholic School students who qualify. The process for grant distribution is as follows:

- Aid forms are completed online at TADS.com.
- TADS will send its recommendations to the administrator at Our Lady of Peace Catholic School.
- The confidential committee for awarding grants will meet to consider awarding grants.
- Tuition Agreements will reflect Education Grants.

## Reduced Tuition

Reduced tuition is available to Preschool-8 families who meet the following criteria.

- Tuition is reduced by 2% for any family whose tuition is paid in full during July 20th prior to the upcoming school year.
- Tuition is reduced for families with 3 or more children registered in Preschool-8 to attend school.

## Late Tuition

It is understood that life events can affect a family's ability to stay current with tuition. It is the family's responsibility to contact the Pastor and/or Principal. Families who are not able to meet the tuition requirements as stated in this policy must make special arrangements with the pastor and principal. These agreements must be made in writing.

In the event tuition is not paid in a timely manner, and the family has not made special arrangements, the follow steps will be taken:

TADS Management Services will begin follow-up services by phone calls and emails. A late fee is applied to account. In the event a family is consistently overdue, follow-up letters will be sent from Our Lady of Peace Catholic School.

The letter will cover:

- History of payment and Tuition Management Company follow-up.
- A meeting date with the pastor and principal.
- Written payment agreement must be made with the pastor.

In the event tuition is not paid in full by the end of the school year, and a written payment plan has not been put in place, registration of children for the next school year will be withheld. Enrollment may be discontinued at the end of the school year.

If tuition due is not paid by June 15, and a payment plan is not in place, written and approved by the pastor and principal, the unpaid tuition bill will be sent to a collection agency.

## Early Withdrawal Tuition Policy

Our Lady of Peace Catholic School carefully budgets for how many students will be in attendance during each school year. When a student is withdrawn from school prior to the end of the contract year, it seriously impacts the school budget. Therefore, the following payments will be required.

| Withdrawal by this Date | Percentage of Total Tuition Due |
|-------------------------|---------------------------------|
| September 30            | 25%                             |

|                            |      |
|----------------------------|------|
| November 15                | 50%  |
| January 15                 | 75%  |
| Withdrawal AFTER this Date |      |
| January 15                 | 100% |

Any exceptions from this policy would be considered on a case-by-case basis with the final decision made by the principal in consultation with the pastor.

## Official Records

### Currently Enrolled Students

Parents, or legal guardians, may ask to review the contents of any records or data collected on or for their child. This may include any or all of the following:

- Identifying data
- Academic work completed
- Level of achievement test scores and grades
- Attendance data
- Scores on standardized tests
- Health data
- Verified reports or serious recurrent behavior patterns

The administrator must be given a reasonable amount of time to honor the request.

When a student graduates or transfers, student records will be sent to the new school upon request of the new school system.

### Home School Students

Grade level placement for homeschooled students transitioning back into Our Lady of Peace Catholic School is managed in the same manner as incoming students from other schools. Parents must provide the following student information:

- names of materials used for instruction
- work samples of student's academic achievement
- descriptions of methods used to assess student achievement, including standardized test score information
- 

In most cases the student will receive credit toward graduation for the work that has been completed in the home

## Academics

### Curriculum

Our Lady of Peace Catholic School's curriculum is based on the Minnesota standards.

### Standardized Testing

Students in grades 2 - 8 take standardized tests to measure growth and proficiency. These tests include but are not limited to the NWEA MAP.

Student's test results will be sent home to parents. Standardized test results are not part of a child's grade.

### Religious Education

Our Lady of Peace Catholic School recognizes that our growth as Christians requires lifelong education, formation, and spiritual development. All students, Catholic and non-Catholic participate in the following:

- Religion classes
- Worship
- Prayer
- Service Projects

### Sacraments

The preparations for sacraments are family centered with parent/child sessions planned to enrich your family's experience. Our Lady of Peace Catholic School supports the sacramental preparation program of the Parish. Preparation for Reconciliation and First Communion occurs in 2<sup>nd</sup> grade and Confirmation occurs in 8<sup>th</sup> grade.

### Academic Intervention

The goal of an academic intervention is to ensure that the student completes all work necessary in order to pass a course. The administration will call a planning meeting with teacher, advisor, the child, and the parents of the child to determine a course of action.

### Report cards and grading

- Report cards are generated quarterly for grades K-8
- Student progress can be tracked online by going to [www.school.olpmn.org](http://www.school.olpmn.org) and clicking on the Education TADS link found under the Current Families Section
- Each family will receive their own login information

## Grading System

## Retention

If retention is being considered in grades K-4, parents will be notified by the end of January. A conference will be arranged in January and again following the 3rd and 4th quarters to discuss the child’s situation. The final recommendation, after reviewing school data, the child’s maturity level, and potential adjustments at the next grade level, will be made by the school staff in close consultation with the parent/guardian.

Retention is considered a last option, after all other educational interventions have been tried. If the school staff recommends a child in grades K-4 be retained and the parents reject that recommendation, the parents will be required to sign a waiver to that effect. If retention is recommended in consecutive years and the parents reject that recommendation in both years, the child will not be permitted to advance to the next grade level at Our Lady of Peace Catholic School.

## Communication

From Our Lady of Peace Catholic School to Parents and Students

## Website

Our website, [www.school.olpmn.org](http://www.school.olpmn.org) has the current information regarding Our Lady of Peace Catholic School.

## Calendar

Our website includes a calendar of events to keep parents informed. Because events are subject to change as the school year progresses, we try to announce these changes as far in advance as possible. Our website is updated as soon as these changes occur. Current events can also be viewed in TADS.

## Educate by TADS

Educate by TADS is an online program that Our Lady of Peace Catholic School uses to give parents and students important information about their academic progress and daily life. It will be your one stop source for grades, classroom information, and provides a portal for communication. This website may also provide information on current grades, assignments, assessments, homework, missing assignments, teacher comments, and attendance. Each family and middle school student is provided with login information.

## Conferences

Parent-teacher conferences are mandatory and offered two times during the school year during the fall and spring. We encourage parents to call their child's teacher or advisor if a need arises for a conference at another time.

In grades Preschool-3, parents meet with the child's teacher and in grades 4-8 the conference is student led with the parents present. For grades 4-8, the student's attendance is critical for effective facilitation of this type of student led conference. If your child is unable to attend at the scheduled time, a makeup conference will be scheduled.

Your child's advisor in grades 5-8 serves as the central communicator for the other Middle School teachers. Information from the other teachers will be forwarded to the advisor so that performance in those classes may be included in the discussion. If further conferencing with individual teachers is necessary, appointments will be made.

## The Peace Post

Each week the school emails a newsletter to families in an effort to keep students, parents, and faculty up to date on school events and activities. This newsletter is also available at [www.school.olpmn.org](http://www.school.olpmn.org), located in the quick links and the updates sections of our website.

## Contacting Students during School Hours

Students are called to the phone only in an emergency. Since all student cell phones must be powered off during the school day, please contact the main office if you need to get a message to your child. After school plans should be made before the child comes to school and teachers should be notified if there is a change in dismissal routine. Please refer to the 1-1 Device section regarding student use of email during the school day.

During the school day, students may not contact parents via text, phone call, or email.

### Contacting the Teachers

Please call or email your child's teacher or advisor at school if there is something you would like to discuss. The teacher will return your message within two school days.

## Appointments

Whenever possible, parents are encouraged to schedule their children’s medical and dental appointments after school. The parent should notify the teacher and office that the child has an appointment. Students must be signed out in the office when leaving during the school day. Students will be required to make up work they have missed. Assignments will be given to the student upon return.

## Absence

Parents are asked to report their child’s absence by calling the attendance line at 612-823-8253 or emailing [schooladmin@olpmn.org](mailto:schooladmin@olpmn.org) by 9:00 am. The office will contact parents who have not reported a student’s absence.

## Attendance

School attendance is required for participation in any after school activity (i.e.: sports, drama club). At times, we require students to attend events after school. Attendance is required at scheduled music concerts.

## Excused Absences

- Illness
- Funeral
- Family emergency
- Doctor/dentist appointments

All other absences from school are considered unexcused even if the family has authorized the absence.

## Exclusion from school for health reasons

For the health and safety of all our students, any student who is ill may not attend school. Students who are experiencing fever, vomiting or diarrhea must be excluded from school and school-related activities for a period of 24 hours after symptoms have subsided. A physician or other qualified healthcare professional should treat communicable diseases and infections. The school must be notified of diagnosis before the student returns to school.

## Tardiness

Tardy is defined as not present in the classroom when the bell rings at 8:00 AM. If a child arrives late, the child is tardy and must report immediately to the school office to receive a tardy slip for admittance to class. Without the slip, the child will not be allowed into class. Tardiness will be noted on the report card and placed in the student's permanent record. After a student is tardy 10 times, a notice will be sent home and a meeting will be required with the student, parents and principal.

The only excuse for tardiness is a doctor appointment, dental appointment or illness. When returning to the school, the child must bring a slip from the doctor or dentist to the school office. Office personnel will give an absentee slip to the child who will present it to the homeroom teacher for admittance to class.

## Truancy

Truancy is defined as an unauthorized absence from school, or leaving the school grounds without permission.

A single truancy violation will result in the following:

- The parents will be required to participate in a conference with the principal and homeroom teacher before the child will be readmitted to school.
- The child shall be placed on in-school suspension for at least the length of the truancy violation. The purpose of this suspension is to make-up lost class work.
- The child may be required to meet with the school counselor.
- The parents will need to communicate with the principal and/or homeroom teacher on the student's progress.
- A second truancy violation will result in more serious sanctions, up to and including expulsion from school.

Please note that the State of Minnesota holds the parents of repeatedly truant children liable to investigation and prosecution for child neglect.

## Vacation/Sports/Other Activities

Missing school because of sports or other activities is discouraged. If this is necessary the following procedure applies:

- At least two weeks before leaving, alert your child's teacher and the school office
- Make sure that your child will not be gone for important tests, standardized tests, end of year tests, end of quarter tests, etc.
- Homework missed will be given to your child/ren upon return to school
- Teacher/s and administration will determine if missed work will be allowed to be made up if the days missed are at the end of the school year

## Bicycles

Bicycles must be locked in the bike racks provided. Bicycles may not be ridden on the playground during morning arrival, at recess, or after dismissal. Skateboards, roller skates, roller blades, and scooters, etc., are not permitted on campus. The school is not responsible for lost, stolen or damaged property.

## Books and Equipment

Any damage done to school property, including lost materials, must be repaired or replaced at the expense of the student.

## Birthday Treats

Our Lady of Peace Catholic School works to provide a safe learning environment for all children. Students may not bring in food for birthday treats on their birthday. Our reasons are as follows:

- We will hold a monthly birthday celebration for all students having a birthday in that month with a birthday treat. Students may also be out of uniform on the day of their monthly birthday celebration. Students with summer birthdays will celebrate with the half-birthday month.
- We have a number of students that have food allergies, especially peanut, dairy, and gluten allergies. We do not want to endanger any of our students in any way.

We understand parents want to make their child's birthday special, and we would like to offer some positive alternatives to bringing in a birthday food treat. Please consider any of the following, but also, please know that it is not required, nor expected, that a child bring in something for his/her birthday.

- Families may send in a "birthday book" to donate to the school, or to the classroom library. Especially in the younger grades, the child would be invited to read it to his/her class as a way of sharing. We would also put a dedication sticker in the front of the book with the child's name.
- A family might consider sending in a new board game for the classroom, which all children could enjoy, such as a checkers board, deck of cards, dominoes, or any other board game of choice.

## Treats/ Snack

As a school staff, we also will not offer candy as rewards, incentives, or treats in the classrooms. Of course, teachers will acknowledge students' good work, but it will no longer be with a piece of candy or other unhealthy treat. We too will find alternatives for praising our students.

As far as snacks during the school day, we follow these guidelines:

- Kindergarten classes will continue their morning snack, which is regulated by the teachers, and is always a healthy snack. Classroom snacks should be peanut and tree nut free.

If a grade level feels their class needs a snack, because of the lunch schedule or other circumstances, we will organize a way for it to be a healthy snack, either provided by the teacher for all students or a request will be sent home asking for students to bring in a snack.

## Classroom Visits

School visits by parents are welcomed and encouraged by the school staff. Advance calls to the office and the classroom teacher are required in making arrangements for your visit. ***VIRTUS Certification, Background Check and Volunteer Code of Conduct are required to volunteer in any way for the school.*** If you need to leave something for your child, please leave it in the school office to avoid disrupting the classroom.

Upon entering the school via door #10, all visitors must report to the school office. Visitors will be asked to sign in and to wear a visitor's badge while in the building.

## Emergency Drills

State mandated drills, including fire, severe weather, lockdown, and evacuation, are practiced throughout the year according to state guidelines

## Field Trips

Field trips are curricular activities which give students the opportunity to learn experientially away from the Our Lady of Peace school campus. Approximately one week before a scheduled field trip, parents will be provided a permission form which outlines the location, purpose, mode of transportation, cost to the student, and times of departure and return to the school. In order for a student to participate, parents must sign and return the form provided before the scheduled departure time. The form must not be altered, and permission may not be given verbally either in person or on the phone in lieu of a signed permission form issued by the school. Students must also read, understand, and agree to follow the student code of conduct stated on the permission form, and must sign the form to acknowledge acceptance of the expectations.

Chaperones are often needed to accompany groups of students on field trips. All chaperones must have completed the "essential three", and verification must have been received by the parish or school office, prior to the field trip.

## Lost and Found

Our Lady of Peace Catholic School is not responsible for items lost by students, parents or guests. The School Office will be the designated area for lost and found turn-in or claims. At times in the year unclaimed items are given to charity.

## Recess

Our Lady of Peace Catholic School recognizes recess provides an opportunity for physical activity, fosters an enjoyment of movement and exercise, and aids social development. When weather permits, recess will be held outdoors. Students must dress appropriately for outdoor weather including: hats, mittens, winter coats, snow pants, etc. Students in kindergarten through eighth grade will be provided with a recess time each day.

When weather prohibits going outdoors, recess will be held in the gym. In the event the gym is occupied, recess will be held in the classrooms. Recess will be held indoors if it is raining or the temperature/wind chill factor is below zero degrees.

Children may stay inside for the following reasons only: a note from your doctor stating a physical reason; disciplinary reason, at the request of a teacher; to complete some work that cannot be done at home (such as a test); or to work on a project that requires school equipment or resources that cannot be taken home.

## Expectations for Recess

- Respect the supervisors on duty.
- Students should exhibit Christian behavior
- Play respectfully, say good things about others and use good words.
- Leave snow, rocks, sticks, and dirt on the ground.
- Food is not allowed out on the playground.
- For safety reasons, hard balls and metal or wooden bats may not be used.
- No fighting, pushing, tackling, etc. is allowed.
- Use playground equipment properly. For example, no one is to slide down the slide while standing; no one is to jump off a swing while it is in motion, no climbing on top of the slide tunnel etc.

Fourth Grade students participate in Peace Patrol on a rotating basis during the elementary students' daily recess. This is an opportunity for the fourth grade students to take on a leadership role and be of service to our community. Peace Patrol members help younger students at Our Lady of Peace have a great time during recess. Peace patrol members model the Peace Builder's principles to classmates and younger students. Peace Patrol members bring recess equipment outside, and return it to its proper place after recess. Peace Patrol members help others participate in the daily games.

## School Closings

If the Minneapolis Public Schools close due to inclement weather, Our Lady of Peace Catholic School will also be closed. If we must close for any other type of emergency we will notify via email.

## School Advisory Council

The Our Lady of Peace School Advisory Council is an advisory consultative body that meets with the pastor and principal monthly. This council provides consultation in the areas of planning, policy, budget, and development. The committee does not address the day-to-day operation of the school, or supervision of personnel.

## Parent Participation

Our parent organization is the Eagle's Nest, a sub-committee of our School Advisory Council. This committee offers families multiple opportunities to be involved in activities throughout the school year.

## Volunteer Requirements

Volunteers are always welcome at Our Lady of Peace Catholic School. In accordance to the Archdiocese of St. Paul and Minneapolis, all volunteers at parishes and schools within the Archdiocese who have contact with minors are required to complete a background check every three years in order to protect those we serve. In addition to background checks, all employees and volunteers must complete ongoing VIRTUS training through the archdiocese and sign an annual Code of Conduct.

Employees and volunteers of Our Lady of Peace Church and School who handle large amounts of money (\$250.00 or more) are required to fill out a Fair Credit Reporting Act. This allows Our Lady of Peace to obtain a credit report for the employee or volunteer.

Volunteer status is dependent on an acceptable background check(s), completing the VIRTUS class, and signing a current code of conduct. Background check(s) must be received, reviewed, and accepted before the volunteer begins his or her service. In the event the background check has not been conducted, the employee and/or volunteer may participate in one service experience but must never be alone with children and/or vulnerable adults.

All information related to the background check(s) will be kept in individual files in a secure location. This information will be kept confidential and under lock-and key. Volunteers may request to view their background check. Requests should be made to the Parish Business Administration.

## Peace Builders

Our Lady of Peace Catholic School has implemented the PeaceBuilders program from PeaceBuilders, Inc. This program encourages consistent student behavior expectations by using the common language of the PeaceBuilders' themes. Teacher created, student led, monthly lessons are taught throughout the year to students of mixed age groups in grades K-8. Positive reinforcement in the form of Praise Notes and Peace Coins are used to reward exceptional behavior. This program will help our students develop the skills necessary to meet the Code of Conduct expectations.

Our Lady of Peace Catholic School students strive to:

- Praise people
- Give up put-downs
- Seek wise people
- Notice and speak up about hurts they have caused
- Right wrongs
- Help others

By following these principles students will:

- Be safe and protected
- Be respected
- Be able to learn
- Have their concerns heard
- Be treated with kindness

Our Lady of Peace Catholic School staff believes that following these principles reduces undesirable behaviors. Discipline for Preschool through Fourth Grade students will be handled on a case by case basis by school staff and administration.

## Middle School Academic Policies

In order to best achieve success within the classroom, students are expected to come prepared, ready to learn, and on time to each of their classes.

- **Late Assignments:** Students should expect homework each night, and homework is expected to be turned in on its due date (most often, daily work is due the next class period). Students who do not turn their homework in on time will receive the following consequences:
- **5th - 8th graders:** Students will receive a missing assignment sticker that needs to be signed by a parent, and students will attend a Homework Help session after school the day of the missing assignment. The late homework and the signed missing assignment sticker need to be turned in the next school day. Additional Homework Help sessions will be issued (and missing assignment stickers) if the work is not completed and turned in the next school day.
- **Homework Help Passes -** Each student will receive two passes during the school year. If a student forgets his/her homework, the student may turn in his/her Homework Help pass to be excused from Homework Help that night. However, students will still receive a missing assignment sticker, which needs to be signed by a parent.
- **Tardy to School/Class –** A student will receive an unexcused tardy if he/she is not to school on time and does not have a note of explanation from a parent or if the student is not seated when class begins.

## Consequences for Policy Infractions

Our Lady of Peace's **Code of Conduct** sets broad guidelines for student conduct and consequences. The school administration has the discretion to apply a consequence that fits the inappropriate conduct including suspension and/or expulsion. Disciplinary action for offenses not defined in this policy may be governed by individual circumstances or other policies. Any teacher or staff member may issue R&R time to students. We feel confident that students can successfully abide by the Code of Conduct and School Policies.

Nevertheless, should an infraction occur, one or more of the following consequences listed below will be implemented.

\*\*\*Students will be held accountable for serving Homework Help and R&R sessions and on the day they are issued and may not defer due to scheduling conflicts with school sponsored events (athletics, school play, other extra-curricular activities).

## Reflection and Restoration Disciplinary Policy for Grades 5-8

### Level 1 Reflection and Restoration

When a student breaks the School rules but don't violate the Code of Conduct, such as: uniform violations, chewing gum, tardiness, or other rule violations

1. A Level I Reflection and Restoration session will be issued to the student.
2. The student will meet with staff for a Reflection and Restoration session on the day it is issued.
3. At the time the Reflection and Restoration session is given, the issuing teacher is responsible for notifying his/her parent(s) that he/she will be serving the R&R session from 3:00 - 3:20 P.M. in the assigned classroom.
4. The R&R slip and student response form must be returned with the parent's signature to the teacher who issued the Reflection and Restoration session.

### Level 2 Reflection and Restoration

Level 2 Reflection and Restoration are defined as violations of our Code of Conduct, specifically words and actions that negatively impact the learning process or are disrespectful to classmates, teachers and school staff (including cheating, dishonesty, defiance, etc.).

1. A Reflection and Restoration session will be issued to the student.
2. The student will serve the Reflection and Restoration session on the day it is issued.

- Suspension

## DEFINITIONS OF TERMS

Extension of the School Day - Additional time before or after school to practice the desired behavior or reflect on their actions.

In-school suspension - The principal may impose an in-school suspension for a serious infraction of school policy.

In-school suspension is the removal of a student from his/her classroom for a period of time. The student shall be relocated to a distant classroom space, usually for not more than one day. Schoolwork will be assigned and completed.

Suspension - An action taken by the principal prohibiting a student from temporarily attending school. The principal shall determine the length of suspension. Schoolwork will be assigned and completed during the suspension by the student. Prior to the student's readmission to school, at the principal's discretion, a conference will be held with the student, parent(s) and the principal. A student who has been suspended from school will be placed on probation for the remainder of the school year.

Probation - A trial period in which a student is given time to redeem unacceptable conduct. The terms of the probation or "probation contract" will be placed in writing. A violation of the probation contract (any serious violation or repeated violation) could result in expulsion.

Expulsion - An action taken by the principal, in consultation with the pastor, to prohibit an enrolled student from further attendance at the school.

The principal is the final recourse in all disciplinary situations.

## Bullying Policy

Created in the image and likeness of God, each child shares a fundamental human dignity. A Catholic school provides an environment dedicated to protecting and fostering the development of that dignity. The school helps children learn how to exercise their God-given freedom responsibly, with the goal that good choices become good habits, that is, *virtues*. The highest virtue is charity, which God both requires and makes possible. "Here is my commandment," says Jesus, "that you love one another as I have loved you." As bearers of the divine image, members of the school community deserve care and respect from all. Bullying and Retaliation are not to be tolerated.

Our Lady of Peace Catholic School is committed to making the school a safe and caring place for all students to learn and grow. As a Peace Builder School, we strive to: praise people; give up put-downs; seek wise people; notice and speak up about hurts they have caused; right wrongs; and help others. When we do these things, students will: be safe and protected; be respected; be able to learn; have their concerns heard; and be treated with kindness and caring.

Everyone in the school family is expected to treat each other with respect and to refuse to tolerate bullying in any form. *Bullying is a deliberate, repeated, unwanted, aggressive or passive aggressive behavior that results in physical, emotional, or psychological harm toward another.*

Examples of Bullying Behaviors include, but are not limited to:

- Verbal Harassment-calling someone by any name not their own, making songs, poems, notes of a negative or unkind manner, using offensive language to describe or attack a person or spreading rumors. Put-downs, insulting someone's race, culture, gender, size or appearance. Spreading rumors.
- Physical Harassment-any unwanted touch, using objects to make contact with another person (i.e.: throwing objects, contact by pushing or shoving one person into another. Hurting someone physically by hitting, tripping, pushing and kicking.).
- Emotional Abuse-the hurting of feelings by using consistently negative or unwanted behavior (i.e.: exclusion, isolation, imitation or intimidation).
- Teasing, "making fun of", or mocking another person in word (verbal or written) or deed. Teasing in a harmful manner
- Cyber-Bullying-using modes of technology (cell phone, social networking websites, blogs, emails) to display any of the above behavior.

Faculty and staff will do the following to prevent bullying and help children feel safe:

- Teach students social skills to address bullying.
- Notice and reward positive behavior.
- Closely supervise students throughout the school day.
- Watch for signs of bullying and stop it when it occurs.
- Investigate reported bullying incidents.
- Enforce consequences for bullying.

- Help students understand that reporting bullying is not only acceptable, but a positive choice.
- Enforce consequences for retaliation against students who report bullying.

Students will be taught to do the following to prevent bullying:

- Act respectfully, responsibly and safely.
- Try to include everyone in activities, especially those who are often left out.
- Refuse to bully others.
- Refuse to let others be bullied.
- Refuse to watch, laugh, or join in when someone is being bullied.
- Report bullying to an adult.

What children do to report an incident of bullying:

- Talk to a teacher, an administrator, or an adult at school.
- Write a note to a teacher or administrator.
- Tell someone at home.
- What parents do if they think their child is bullying or being bullied:
- Work in partnership with the classroom teacher by discussing the situation.
- Notify the principal if the situation does not stop.
- Honor and support the privacy and confidentiality of all individuals.
- Never, for any reason, confront any other child.
- Utilize the Conflict Resolution Procedure.
- 

Reports of bullying will be handled immediately. Parents will be notified and consequences will be issued. The following actions may be taken in each instance of reported bullying.

- Social Probation-the student may not attend any dances, sporting events or school activities until the whole of the consequence has been completed.
- Community Service-the student will be asked to contribute to the larger population of Our Lady of Peace by providing some type of community service. Activities could range from helping to educate younger students about bullying/friendships skills, making posters to advertise behavior expectations at school or writing essays about prevalent social justice topics. Students may be asked to help out around school as well.
- Parent Meeting/Notification-the student and parents will be asked to meet with member(s) of Our Lady of Peace administration, teaching and/or counseling staff. At this meeting, a plan will be made to address the report of bullying.
- Consequence-will depend on the circumstance. Our Lady of Peace Catholic School administration will have the final say. Students may be excused from activities, be subject to schedule changes and/or be suspended from classes in or out of school.

# Harassment Policy

Our Lady of Peace Catholic School provides a learning and working environment that is free from harassment for all students, faculty, staff, principal, parents, vendors, volunteers, coaches, guests, and others, who act on our behalf. It applies whenever and wherever a school program takes place. Anyone who violates this policy is subject to appropriate disciplinary action, which may include separation from the school program.

**Harassment** is unwelcome verbal or physical conduct which has the purpose or effect of unreasonably interfering with an individual's performance, or which creates an intimidating, hostile, or offensive working or learning environment. The basis for harassment may be any protected class, including age, creed, color, disability, national origin, race, marital status, status with regard to public assistance, religion, gender, and sexual orientation

Harassment includes but is not limited to a continual behavior of:

- Any bullying, harassment, or intimidation that involves physical aggression
- Getting another person to hit or harm the student
- Teasing, name-calling, making critical remarks, or threatening, in person or by other means
- Demeaning and making the victim of jokes
- Making rude and/or threatening gestures
- Excluding or rejecting the student

- Spreading hurtful rumors or gossip
- Cyber Bullying

One particular category of harassment, *sexual harassment*, consists of unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct, or other verbal or physical conduct or communication of a sexual nature which substantially interferes with an individual's employment or education, or creates a hostile, intimidating, or offensive working or learning environment. It also includes situations where submission to such behavior affects decisions about the individual's employment or education. Sexual harassment may be directed to members of the same or opposite sex. Sexual harassment includes, but is not limited to:

- teasing or joking of a sexual nature, sexual name calling, making references to past or present sexual activity, spreading sexual rumors, or making derogatory or dehumanizing sexual remarks;
- subtle pressure for sexual activity;
- intentional brushing against a person's body;
- display of offensive pictures, posters, or other graphics;
- leering, inappropriate patting or pinching, and other forms of unwelcome touching;
- otherwise creating a hostile, intimidating, or offensive environment.

## Cyber Bullying

Sometimes referred to as internet bullying or electronic bullying consists of harassment through electronic devices and may result in a substantial interference with the educational environment or the rights of others. It may involve, but is not limited to:

- Sending mean, vulgar or threatening messages or images
- Posting sensitive and/or private information about another person to the web
- Pretending to be someone else in order to make that person look bad
- Intentionally excluding someone from an online group

Any member of the Our Lady of Peace Catholic School community who experiences or witnesses sexual, electronic or any form of harassment must deal with the situation immediately by:

- Advising those involved that the behavior is inappropriate and should stop.
- If the individual does not wish to deal with the problem directly or if a request to stop is not respected, he or she should report the incident to an appropriate official (teacher, principal, or in the case of a complaint against the principal or parish business administrator, to the pastor).
- The complainant also has the right to fill out a bullying, harassment or intimidation form (found in school office)

The principal or a designated person will assume responsibility for investigation of all complaints, whether formal or informal, verbal or written, of sexual or protected class harassment.

- An investigative report documenting interviews, conclusions and recommendations will be completed.
- Based on the investigation, appropriate action, including, but not limited to counseling, disciplinary warning or other disciplinary action, will be taken.
- The alleged harasser, the victim, and, if either is a minor, their parents will be advised of the outcome of the investigation, in writing. In cases involving minors, a report to the Child Protection Agency or to the police will be filed if required by state law.
- The alleged harasser will be warned, in writing, that retaliation or intimidation toward anyone who makes a complaint or assists in the investigatory process will not be tolerated. The complainant will be invited to report recurrences or retaliation, and the situation monitored as the principal deems appropriate

## Drugs

A mood-altering chemical includes any substance such as drugs, inhalants, or alcohol that substantially changes the behavior of the person taking them. Any student attending Our Lady of Peace Catholic School who:

1. is found buying, selling or giving away mood altering chemicals
2. is found under the influence of mood altering chemicals
3. is found in possession of mood altering chemicals
4. displays behavior characteristic of possible chemical abuse or
5. is suspected by the principal of participating in illegal drug activity, either use or possession while on school grounds or attending any school sponsored event will be subject to the following consequences:
  - Parent/Guardian will be notified immediately of the infraction
  - The student will be removed from the classroom or activity

The medication must be provided by the parent and be in a properly labeled bottle from the pharmacy. Medication must be kept in the school office at all times and be administered by school personnel. ## Annual Screening

Yearly screening programs provided by the local school district include vision, hearing, and scoliosis. Parents are notified when a potential problem needing further medical evaluation is identified.

## Emergencies

In the event of an emergency involving a child at school, a staff person will administer first aid. The staff person assisting the student will determine whether the emergency requires professional medical assistance. If the staff member determines that professional medical assistance is required, the staff person, or someone designated by the staff person, will contact 911 immediately. If the 911 personnel deems necessary, the student will be transported to a hospital. School personnel will gather the most current emergency medical information on file for the student, which will then be given to the paramedics upon their arrival. The school staff will notify parents, or in the event the parents cannot be reached, an emergency contact designated on the child's emergency form, of the emergency situation and the care given.

## Uniform Regulations and Dress Codes

All students in Kindergarten through Eighth Grade are expected to be neat and well-groomed on all school days. Unless specified as an out-of-uniform day, students are required to wear the school uniform, or have an out of uniform pass. On days designated as out-of-uniform, students must follow the dress code guidelines. All students must be in uniform for days we attend Mass. Regulations for these are as follows:
