

April 6, 2020

Dear Parishioners,

For your information, when you donate through the online giving there are fees the church will pay on a monthly basis for the processing of the transactions. You will now have the option to assist in the fees by giving an additional 2.5% on top of your donation to help defray the cost the church will incur. If you choose not to assist with this, simply uncheck the box next to the option.

There are two different ways to pay for your donation and one has a higher fee than the other.

- Credit card fee is 3.0% + \$0.39 per transaction.
- ACH/e-check (bank account) .75% + \$0.39 per transaction.

Thank you for taking these options into consideration and as always, thank you for supporting your church!
