Holy Savior Catholic School

Despite changes made to ensure COVID-19 safety in the classroom, the pursuit of academic excellence has not been compromised. Our dedicated teachers continue to use various innovative teaching strategies and integrate technology through use of classroom computers & Promethean ActivBoards. Enrichment classes, including technology, music, library, & band have found innovative ways to safely continue. Our nursery students grow as learners through a curriculum which focuses on the development of reading, math, science, art, self-help, fine & gross motor skills.

Holy Savior is made up of all those who have been a part of it since 1879. We are grateful for the support and dedication of those who believe in Catholic education. It is because of you- and God's grace- that Holy Savior will continue to create self-motivated, lifelong learners who positively impact their families, their communities, their country, the church and the world.
