At this time, the State of Texas has no quarantine restrictions upon returning to school for any travel **within** the US. Please be responsible in your return to school. If you or your family have been potentially exposed to the COVID virus, we ask that you self-quarantine for 14 days from the day you arrive home prior to returning to school.

NOTE: ANY TRAVEL OUTSIDE THE UNITED STATES WILL REQUIRE A FULL 14 DAY QUARANTINE PERIOD FROM THE DAY YOU RETURN HOME BEFORE ENTERING THE SCHOOL. YOU MAY USE DISTANCE LEARNING DURING THIS QUARANTINE PERIOD.
