

# OUR LADY OF PEACE PARISH

## May 23, 2021 – Pentecost Sunday

*There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in every one.” - 1 CORINTHIANS 12:4-6*

All of us are blessed, regardless of our own individual circumstances. God has given each of us many gifts. How we use those gifts is our gift back to God. For God’s plan to work, each must do what we are called to do. Guess what? We are not all called to do the same thing! For God’s plan to work you have to do what God is calling you to do and I have to do what God is calling me to do.

The two rock gardens near the parish house are in very tough shape. Although they contain many nice plants and bushes they have become overgrown with weeds. I have been told that they were maintained in the past, but like so many other things in a parish these things can fall the wayside. We would like to keep the gardens, but THEY MUST BE PROPERLY MAINTAINED. If anyone is interested in tackling the weeds and cleaning out the gardens, now is the time to step forward. If not, by the end of June they will be removed, but we will offer the plants and bushes to whoever would want them. Thanks ...Father Smith

## Pentecost Voice

The Holy Spirit, who came on Pentecost, gave voice to the apostles to proclaim the truth of the Gospel. The Spirit, the Soul of the Church, continues to enable the Church to speak, and enables us to speak in our individual capacity. As Cardinal Elio Sgreccia, former President of the Vatican’s Pontifical Academy for Life has said, “The Church must speak out in today’s context on fundamental rights, the right to justice, the right to peace, but above all and in the first place, the right to life. If the Church did not speak, did not proclaim the truth, it would be abandoning its duty; it would be unfaithful to society, to the good of society. Therefore, its precise duty is the very liberty to intervene with word, and also with example -- the example of promoting human life, of intervening for the salvation of mankind.”
