**Parish Tidbits: (From last week) Do you know what a Eucharistic Congress is?**

In the Catholic Church, a Eucharistic congress is a gathering of clergy, religious, and laity to bear witness to the Real Presence of Jesus in the Eucharist . Congresses bring together people from a wide area, and typically involve large open-air Masses, Eucharistic adoration, and other devotional ceremonies held over several days. Congresses may both refer to National and International Eucharistic Congresses. The First Eucharistic Congress was celebrated in the French city of Lille in 1881. Each congress is held in a different city, and to date has been held in 24 different countries during the 140 years of its existence. Initially it was an Annual Congress, and there is currently no fixed calendar determining its frequency.
