

Creating a Parent/Student Account for Rank One

Rank One is TAPPS new information management system. It is a comprehensive system that is easy to use. TAPPS requires that every student athlete has a parent account. The parent account is where required forms will be esigned, and parents will upload their student athlete’s medical history forms and physical. Both medical forms must be signed by a medical professional, and are valid for one year from the signature date. Once uploaded, the forms need to be reviewed by the Athletic Department before the athlete will be marked as “eligible.” On your Rank One account, you will be able to verify your student athlete’s eligibility. You can add multiple athletes to your account, in the case of siblings. Parents can have seperate accounts if they live in different households, but only the account that uploads the medical forms will have access to download them.

You will use the same login information when you download the Rank One app (see the Rank One app instructions). The Rank One app is how coaches will communicate schedule changes, notifications, etc.

On this screen you will see the three forms that need to be esigned:

1. Athletics Handbook Acknowledgment Form

2. Transportation Release Form

3. TAPPS Signature Page

Please note that on the TAPPS Signature page it asks for all TAPPS activities to be marked that the student athlete is interested in. Frassati Catholic High School does not offer all of these TAPPS programs - only mark the programs that we offer: Baseball (M), Basketball (M/F), Cheerleading (M/F), Cross Country (M/F), Football (M), Golf (M/F), Soccer Winter (M/F), Softball (F), Swimming (M/F), Tennis (M/F), Track & Field (M/F) & Volleyball (F).

You will upload your student's medical forms under "TAPPS Physical/Medical History." Please use the Frassati Catholic Medical Forms located on our athletic website under "Required Forms" - Frassati Catholic Medical Forms are TAPPS approved.

You will need to fill in any missing information in the "TAPPS Student Profile" link. Once these five items are completed & approved, your student athlete will be marked as "In Compliance." If any of this information was turned into the Athletics Department, then you will see it marked as "Approved" but you will not be able to view it because you did not upload it (HIPAA compliant).

If you need to find the High School Student Transfer Form (PAPF), this is located within the "Download and Print" blue button on the right hand side. This is the only form that needs to be handed into the Athletic Department. Please use the TAPPS approved Frassati Catholic medical forms found on our website, not the TAPPS medical forms provided under this tab.

the Frassati Catholic High School Athletics Handbook. It also indicates that you have discussed with your child the applicable policies, procedures, and expectations discussed in this handbook and that you, and your child agree to abide by the school policies, procedures, and expectations discussed in this handbook and that you, and your child agree to abide by the school policies, procedures, and expectations discussed in this handbook may jeopardize a student's continued participation in the athletic program.
