

Remote Learning Plan

Dear Parents and Guardians,

Under the direction and guidance of the Harris County Health Department, we are implementing a remote learning plan for our students. We are committed to maintaining the integrity of our academic program, and the teachers are prepared to provide lessons, instruction, and feedback via Google Classroom, videos, and possibly live-streaming sessions. Important points to note are as follows:

- Student Frassaticatholic.org email addresses will be active so that students can receive email notifications from Google Classrooms.
- Teachers will be available to students from 7:30 a.m. – 3:30 p.m. via Google Classroom on the corresponding day the class normally meets: A day or B day.
- Teachers will follow the A day/B day schedule to post lessons, instructions, videos, assignments and homework to the Google Classroom. For example, an English teacher who has a class during A2 will only post information for that class on an A day. He or she could post something at any time from 7:30-3:30 that day, but it will only be on an A day.
- Assignment calendars will be available to students in the Google Classrooms by 7:00 a.m. on Monday morning. Students should check their assignment calendars and use their *Agendas* as they normally do to write down assignments.
- Mrs. Tracey Bonini will be available to speak with students about college readiness and wellness.
- For students with accommodations, please help us monitor the extended time to ensure the students do not get overwhelmed with floating due dates.
- Students are being asked to refer to the *2019-2020 Parent and Student Handbook* regarding the following policies:
 - **Code of Conduct** – Please read through the criteria for statements regarding academic honesty and integrity.
 - **Technology Acceptable Use Policy** – Please use proper etiquette when communicating with teachers and classmates.
- In addition to the teachers, if students have any concerns or problems, please contact the following:
 - Mrs. Alissa Reynolds – Academic issues a.reynolds@frassaticatholic.org
 - Mr. Ryan Janise – Technology issues r.janise@frassaticatholic.org
 - Mrs. Tracey Bonini – Counseling t.bonini@frassaticatholic.org
 - Dr. Cody Medina – Health and lockers c.medina@frassaticatholic.org
 - Mrs. Shayla Mullee – Library resources s.mullee@frassaticatholic.org

Thank you,

Mrs. Alissa Reynolds
Dean of Academics
