

May 27, 2020

Dear Students and Parents at Frassati Catholic,

Two more days, and the 2019-2020 school year will officially be complete! Thank you for the special efforts to finish the year strong during this 4th quarter of remote learning. We all know it was difficult for many while some of you liked the flexibility afforded by the remote learning.

We have been working on next year for a while now, so I wanted to let you know what to expect in the next week. Please keep the following dates in mind:

- June 1 – The Quick Links page on the Frassati Catholic website will have the following posted:
 - Supply Lists by grade level
 - Summer Reading assignments by course
 - Summer Math review suggestions for all grade levels
 - AP U.S. History Summer Reading
 - Follett Bookstore information
 - Master book list for books by course
 - Uniform Policy
 - *2020-2021 Curriculum Guide*
 - 2020-2021 Calendar – please note holidays and plan vacation time so that students do not miss the day before or after a holiday

- June 3
 - Class lists for each student will have been emailed to students at their Frassati Catholic email address by this date. Students need to check their emails between June 1 and June 3 for their class list, the document with course codes, a fillable excel spreadsheet, and directions for completing the spreadsheet to find the books they need for their classes.
 - Mrs. Mullee is finalizing a vehicle for parents to buy and sell used books that will be used again next year. This will be a secure Google Sheet, and Mrs. Mullee will share directions with you. We will send out more information in the Friday e-newsletter this week.

Thank you,

Mrs. Alissa Reynolds
