

Parents,

My philosophy, as a school counselor, is to help children develop academically, emotionally and socially in order to lead fulfilling lives at school.

This brochure describes my role as a school counselor, specific areas I can assist with and contact information.

I look forward to collaborating with you.

Best Wishes,
Amy

WHAT DO I DO AS THE SCHOOL COUNSELOR?

- Developmental Classroom Guidance Lessons
- Individual Counseling
- Group Counseling
- Parent/Teacher Consultations
- School-wide initiatives and programs
- Referral Services for outside counseling and/or educational testing
- Provide resource material for academic, social and emotional support

Contact Information:

St. Patrick School, Malvern:
Tuesday & Thursday

St. Maximilian-Kolbe
Wednesday & Friday

amym@cciu.org

St. Patrick: 610-644-2702

St. Maximilian: 610-399-3684

Specific Areas Where I Can Help:

- Friendship/social issues
- Parent conflict/divorce
- Grief/Loss
- Alcoholism, addictions and abuse in families
- Bullying prevention
- Learning Disabilities: accommodations and support within the school day
- Emotional regulation for an array of feelings including anger, stress, frustration, perfectionism
- Study and organizational skills
- Self-control and behavior management
- Building social skills
- Mental health issues: students with an existing diagnosis
- Assistance with the psychoeducational evaluation process through the school district
- Referrals for outside counseling or agencies
- Provide classroom observations and screenings for self-regulation concerns
- Create a safe place for a student to come and talk

Bio:

After receiving my BS in Human Services at the University of Scranton and MA in Counseling at Sonoma State University in California, I returned home to West Chester. I have been working for the Chester County Intermediate Unit as a school counselor in their Non-Public School Services division for 14 years.

I now live in Wallingford with my husband and two children, Connor and Sloan.

Amy Musumeci

School Counselor
