Dear Parents,

St. Max will continue our after school program, CARES (Children Are Receiving Extended Services) for the 2021-22 school year. This program provides worry free supervision for our students in grades Pre K through 8 from 3:00pm to 6:00pm each school day. Miss Gerri Passalacqua is the coordinator of the program. She can be reached during CARES hours at 484- 983 -4705 or by email at stmaxcares@stmax.org

The children will be in the trailer across from the school. The children will be able to play in the attached play yard as well as the play area attached to the school.

If you are interested in the CARES after school program, please download an application form, a release form and the information sheet. Complete the documents and send them into school, along with the registration fee. If you have any questions or concerns don't hesitate to call the school office.

Again, this year **Morning Care** from 7:00am to 7:50am will be available at St. Max. If you are interested, please call the school office (610-399-8400) for details.

Thank you for your continued support.
Respectfully,
