

St. Adelaide Academy

Catholic Schools Week 1/31 -2/6/2021

"Catholic Schools: Faith. Excellence. Service."

Sunday: (9:00 am Mass) "Celebrating Our Parish"

Focus on Beauty

"The Eucharist is 'the source and summit' of the Christian life." (CCC 1324)

As the Eucharist is the summit of our lives, the Mass is the heart of Catholic schools. Draw attention to the Beauty of the Liturgy with special emphasis on sacred music, prayer and reverence for the Eucharist.

Students are asked to attend the 9am Mass in their school uniform or watch on the Church Facebook page. Leave a comment thanking our parish community. Virtual Scholastic Book Fair begins today. <https://www.scholastic.com/bf/stadelaideschl>

Monday: "Celebrating Our Community"

Focus on Goodness

"We give thanks to God always for all of you, constantly mentioning you in our prayers, remembering before our God and Father your work of faith and labor of love and steadfastness of hope in our Lord Jesus Christ." (1 Thessalonians 1:2)

Choosing the Good nurtures our communities. We can serve by meeting material needs; but the greatest service is evangelical: bringing the Light of Christ to everyone we meet.

Students will design a poster recognizing all in our community who help us. Posters should be shared with the class and displayed in a window at home or parent's workplace.

Tuesday: "Celebrating Our Students"

Focus On Truth

"After three days they found him in the temple, sitting among the teachers, listening to them and asking them questions. And all who heard him were amazed at his understanding and his answers." (Luke 2: 46-47)

"The truth shall set you free." We encourage our students to find that freedom through intellectual and moral virtue.

Students will participate in a variety of lessons and activities that explore the impact of Catholic education in their lives now and in their future. **NO HOMEWORK tonight!!**

Wednesday: "Celebrating Our Nation"

Focus on Piety

"Blessed is the nation whose God is the Lord, the people whom he has chosen as his heritage!" (Psalm 33:12)

Our country has articulated ideals of human dignity, and we are called to fully live those ideals in reflection on our eternal citizenship in the City of God.

As a school, we will focus on honoring our military who fight to protect our nation. Please send pictures of family members in the military to your homeroom teacher. They will be posted on our school Facebook and Instagram pages. In our classes, students will participate in activities that show how we as citizens can come together as a nation to help others and bring peace. Wear RED, WHITE, and BLUE today.

Thursday: "Celebrating Our Families"

Focus on Love

"The family is the community in which, from childhood, one can learn moral values, begin to honor God, and make good use of freedom. Family life is an initiation into life in society." (CCC 2207)

Parents are the primary educators of their children (CCC 2223). School communities can support this God-given role by providing a rich curriculum and ample assistance for parents engaged in their student's formation.

Today students will share completed Family Tree crafts to recognize those who came before us. We celebrate the families who nurture and support us every day. Thank you to all our school families!

Friday: "Celebrating Our Faculty and Staff"

Focus on Self-Gift

"Now Jesus was praying in a certain place, and when he finished, one of his disciples said to him, 'Lord, teach us to pray, as John taught his disciples.'" (Luke 11:11)

Teachers and staff share in the formative and transformative work of The Great Teacher. The constant inspiration of Christ's example guides our approach to our curriculum, our duties, and our relationships with our students

Our faculty and staff will be included in prayers at Mass.

Parents and students are asked to show appreciation for our dedicated faculty and staff in some simple way. There will be a special treat for faculty and staff from the administration.

Today is the 100th Day of School. Students will have some fun activities to celebrate being 100 days smarter!!

Throughout the week, teachers will incorporate the theme "Catholic Schools: Faith. Excellence. Service." into the curriculum.
