

Covid Crusaders: Usher Duties

Adult Volunteers Preferred

2 Ushers for Each Mass

Please Report 20 Minutes Prior to Mass Time:

The side ramp door is “Exit only” at this time, therefore 1 person should stand outside to assist anyone with walking difficulties or uses a chair, guide them through the into office parking lot, through Parish Center South doors and onto elevator for access into the church.

1 person should help people find a seat that is 6 feet away from other households. 1 household per pew, unless the pew has enough space to spread out.

Close North and South Parish Center doors when Father begins first reading. After Mass, prop open doors, including side door.

After the prayers of the people, when the Cantor begins to sing, pass the offertory basket. Go through the pews using outside aisles with handled baskets starting at the front.

Combine collection into a basket and bring it up the side aisle, place it on Sanctuary steps near St. Joseph’s Altar.

Masks are available in closet for parishioners who ask for one.

Please sign-up to volunteer by going to the following link:
