

Giving to St. John Neumann via Bill Pay

What is Bill Pay?

Most banks today will provide their customers with on-line access to their accounts, including Bill Pay. Bill Pay is a function which will allow you to have your bank mail a paper check to your payee on your behalf.

The Bank can only send checks you request, to people you request. They are sent in a security envelope to the payee, and are cashed the same way a regular check you wrote would be cashed. In most banks there is no fee for this process, and you can send checks on a regular basis, or a onetime mailing. Please contact your bank for information on how to access this feature.
