Holy Water – A Means of Spiritual Wealth

Untold spiritual wealth is concentrated in every drop of Holy Water because it is blessed. The church teaches that Holy Water, when used with proper disposition and intentions, confers actual graces, remits venial sin, and secures temporal blessings such as bodily health and protection against danger and sickness. When using the Holy Water and believing that the blessing made by the Priest when blessing this water ascends to God and is returned to you as you use it to bless yourself or anything you wish blessed. Every Catholic home should have a container of Holy Water at all times.
