International Workers' Day ~ May 1st

International Workers' Day is celebrated in many countries. This can be a day to recognize the value of human work, defend the dignity of working people, encourage all to be responsible in their work, and celebrate the role that human work has in God's plan for creation.

In 1955, the Catholic Church dedicated May 1st to "Saint Joseph the Worker". Saint Joseph is the patron saint of workers and craftsmen, among others.

Today, the majority of countries around the world celebrate a workers' day on May 1st.

St. Joseph was a just man, a tireless worker, the upright guardian of those entrusted to his care. May he always guard, protect, and enlighten families. (St. John Paul II)
