St. Luke School Extension Program

March 2021

Dear Parents and Guardians,

What is the St. Luke School Extension Program? It is the after-school program where all children who attend St. Luke School are encouraged to have some play time, homework time, and social time in a safe, welcoming, and fun environment. We meet in the gym right after school, and are open until 5:45 p.m. each school day. Children are picked up from Bishop Ford Hall. Extension is not open when school is not in session or during calamity days. The time has come to start preparing for the 2021-2022 school year. Registration fees and the fees for the program are listed below. Program rates have been kept as low as possible, but have increased slightly this year. The registration fee holds a spot for your children.

If you are interested in registering your child(ren) for the upcoming school year, please complete the information on the attached form.

***Space is limited**, so be sure to return your registration and fee as soon as possible. We fill spaces on a first come, first served basis.*

Registration Fees for 2021-2022 School Year (non-refundable):
