

Campus Ministry Information

Summary

Memorial's Campus Ministry program seeks to offer meaningful faith-based experiences to help reinforce the mission of reflecting the image of God and inspiring the formation of our students. All Campus Ministry offerings are planned and organized by students on the Campus Ministry Team, including retreats, organized prayer experiences, liturgical celebrations and sacramental experiences of Adoration and Reconciliation.

Offerings during Distance Learning

The virtual learning schedule has created time for a weekly opportunity for students to gather for Mass or Prayer during the Wednesday Mass/Prayer block, 9:00-9:30am. Attendance to these events is optional except for the third Wednesday of the month, which is mandatory Mass attendance for all students. See the schedule below for examples of this virtual outreach.

1 st Wednesday	Prayer at the Fountain (optional attendance)
2 nd Wednesday	Mass or Prayer (optional attendance)
3 rd Wednesday	Mass (mandatory attendance, hosted through Block 5 Zoom)
4 th Wednesday	Mass or Prayer (optional attendance)

Service Learning Information

Summary

Community service is an essential part of the Memorial experience with an emphasis on serving marginalized populations. Serving in solidarity with others and learning the diverse needs of the local community is a primary value and objective of Memorial's service program. The Service Coordinator works closely with students to ensure they are on track for meeting the service requirement needed for graduation. Students utilize the x2VOL online service hour tracking system to submit and keep record of all service completed throughout their time at SJM.

Offerings during Distance Learning

As noted on the virtual learning schedule Service Ed. classes are hosted each Monday and Friday. Grade levels rotate attendance to these class blocks to familiarize students with the details of their all class service projects. Seniors, Juniors, and Sophomores will complete two service projects for the fall semester while the Freshman class will complete one all class service project. Through this forum each student has direct contact and access to the

Service Coordinator to receive instruction and support towards the fulfillment of their virtual learning service requirement.

The requirement for the fall semester is that each student will attend two pre-assigned Service Ed. sessions via Zoom and then complete the service projects associated with each class session.

All questions can be referred to Mrs. Cortez in the Service Office, sjmservice@sjmhs.org
