Flu Season Precautions: If you are ill, please do not attend Mass and needlessly expose others. The Center for Disease Control has regularly told the bishops that the risk of transmitting disease through the chalice is **very low and is further reduced** by wiping the chalice between communicants. However, in an abundance of caution, the bishop last week asked that we temporarily refrain from distributing the Precious Blood, empty the Holy Water fonts, and consider receiving Holy Communion on the hand. The bishop has clarified that these recommendations are to be implemented at the discretion of the pastor and that **people are free to receive Holy Communion on the tongue**. Assumption Parish is implementing these recommendations this weekend. Also, no one is ever required to shake hands during the Sign of Peace or to hold hands for the Our Father.

Precauciones para la temporada de gripe: Si está enfermo, no asista a misa y esponga innecesariamente a otros. El Centro para el Control de Enfermedades regularmente ha dicho a los obispos que el riesgo de transmitir enfermedades a través del cáliz **es muy bajo y se reduce aún más** al limpiar el cáliz entre comunicantes. Sin embargo, por precaución, la semana pasada el obispo pidió que temporalmente dejemos de distribuir la Sangre Preciosa, vaciar las fuentes de Agua Bendita, y considerar recibir la Sagrada Comunión en la mano. El obispo ha aclarado que estas recomendaciones deben implementarse a discreción del pastor y que **son libres de recibir la Sagrada Comunión en la lengua**. Assumption Parish está implementando estas recomendaciones este fin de semana. Además, no es requerido que den la mano durante el Signo de la Paz o que se tomen de la mano durante el Padre Nuestro.
