

News from Mrs. W.

Mrs. W.'s email: sttkindergarten@gmail.com

This week:

We had a wonderful time during the back to school mass – and our Kindergarten students did a great job behaving and listening. Young fives students began their ABC journals finding pictures in magazines that begin with the letters L, F and E. Kindergarten Students are continuing rhyming and beginning sounds. Kindergarten students received their First SIGHT WORD – I. When you are reading together at home, Have them look for the word and read it. Have them use it in a sentence too! Kindergarteners are reinforcing their beginning of the year number sense by completing part of their NEW math books! The kids think it's pretty cool to have their own math book! The first test will be coming up next week ☺
