Parent/Guardian Permission to Apply Sunscreen

As the parent or guardian of the above child(ren), I recognize that too much sunlight may increase my child's risk of getting skin cancer someday. Therefore, I give my permission for personnel at St. Joseph Catholic School Summercare, Preschool and Daycare to apply the sunscreen product of SPF – 15 or higher to my child that I have provided, when he or she will be playing outside, especially during the months of March through October and between the daily times of 10:00 am and 4:00 pm. I understand that sunscreen may be applied to exposed skin, including but not limited to the face, tops of the ears, nose and bare shoulders, arms, and legs. **If I do not provide sunscreen for my child, they will need to remain indoors and/or in a shaded/protected area, at the discretion of the childcare staff.** I have checked all applicable information regarding the type and use of sunscreen for my child:

- I do not know of any allergies my child has to sunscreen.
- I have provided the following brand/type of sunscreen for use on my child(ren): _____
- For medical or other reasons, please do not apply sunscreen to the following areas of my child's body:
