

## Celebrating 90 Years of Providing Help & Creating Hope

Catholic Charities of the Archdiocese of Dubuque was founded in 1931, as a nonprofit social service organization in the Archdiocese of Dubuque. Since the beginning, our organization has continuously evolved to respond to the ever-changing needs of people in the communities we serve.

Join us in celebrating our 90th anniversary with the *90 Faces of Hope* video series. This video series will continue throughout 2021 and include clients, staff, and volunteers sharing their experiences with Catholic Charities throughout the years. Our services have impacted tens of thousands of lives in the past 90 years and we are excited to share their stories!
