Temporary Protected Status for Haitian Immigrants

The Department of Homeland Security (DHS) announced a new 18-month designation of Haiti for Temporary Protected Status (TPS). This new designation allows Haitian nationals (and individuals without nationality who last resided in Haiti) currently residing in the United States as of May 21, 2021, to file initial applications for TPS. It is crucial that the initial TPS application filing be completed by an attorney or DOJ legal accredited representative.

Click [HERE](#) for more details on this designation. If you have further questions or are interested in a legal consultation regarding TPS, please contact Catholic Charities' Immigration Legal Services (ILS) at 319-364-7121.

Volunteers Make a Difference!

As part of their United Way workplace campaign, a group from Cottingham & Butler volunteered at Kennedy Park West! They picked up sticks, broken branches, weeded the flower beds and community garden, and did general ground care. Kennedy Park West is our largest affordable housing community for families in Dubuque, with 73 units of 1, 2, and 3 bedroom apartments.

Thank you for giving back to our affordable housing community!

In addition to the many therapy approaches used by our counselors, faith is an important part of healing. Counselors at Catholic Charities integrate faith at the request of their clients.
