A SPIRITUAL PATH TO WEIGHT LOSS

A group is forming to pursue a Spiritual Path to Weight Loss. Drawing primarily from the book, "The Body God Designed," by Gregory Jantz, PhD., this approach incorporates scriptural reflection and guidance in pursuing a healthy weight loss program. *With God's help, we can restore our bodies to health and vitality, addressing those behaviors and circumstances which may have contributed to our present state of health.* The group will be facilitated by Mary King and will meet at Mary's home on **Thursday mornings from 11 am to Noon, September 12 through October 31.** Participants will need a copy of the book by Dr. Jantz. **There is a sign up sheet on the back counter in Church. Please indicate by September 1st if you would like to be included in the group book order.** The cost of the book is \$15. For more information call Mary at 985-2695.

WE INVITE YOU TO BE A MASS LECTOR

Consider becoming a lector at Mass and deepen your understanding of God's Living Word! If you enjoy reading aloud, consider sharing your gift at Mass. We especially need Lectors for the Sunday Masses. We have workbooks and other resources and experienced lectors to help you prepare your assigned reading. God speaks to each of us in ways unique to our lives and circumstances. A good Lector helps to bring God's message to the listener. If you are interested in being a Lector, please call the Rectory or speak with Monsignor Michael.

PARISH CAPITAL CAMPAIGN AND BUILDING PROJECT

The Capital Campaign Audit Committee has been meeting on a regular basis to ensure the integrity of the Parish Capital Campaign. The Committee is comprised of 3 parishioners who have professional backgrounds in banking: Tom Candon, Andy Kloeckner and Steve Kendall. The Committee audits the systems we have in place to record and monitor one-time donations, donor pledges and pledge payments, and the reconciliation of funds in the Capital Campaign Account. We are grateful to our Audit Committee for volunteering their time and expertise to this important "behind the scenes" aspect of the building project.
