- Peter -

“Lord it is good for us to be here.”

The words of Peter at the Transfiguration of our Lord seem so appropriate as we take a step towards our eventual return to routine. How wonderful to be able to gather--even in limited fashion--to renew the bonds of community and faith, receiving our Lord in the Eucharist and experiencing His abundant mercy in Reconciliation. The directives and restrictions we are abiding by may seem a bit strange, but ultimately are to assist us to arrive at the next step(s) ahead. Just this past Sunday in the Emmaus story the words of the two who experienced the Risen Christ “in the breaking of the bread” are also the desires of our heart these days of continued pandemic precautions: “Stay with us, Lord!”

Prayer for Seminarians

Father, thank You for the generosity of our seminarians. Safeguard them as they prepare for the priesthood.

Keep all evil far from them, so they may become strong Christian men who are faithful to prayer, diligent in their studies, open to spiritual direction, and docile to all aspects of seminary formation.

Above all, enflame their hearts with love so they will be ardent and gentle shepherds for Your Church.

We make this prayer through the great High Priest, Jesus Christ our Lord.
Amen.

St. Charles Borromeo, patron of seminarians, pray for us.

Appreciation

Your cooperation and flexibility with maintaining the required directives as we return to public celebrations of the Sacraments is truly appreciated. Anyone who came and unfortunately found the Church to already be at capacity this weekend--be assured this is temporary. After reviewing how this first weekend experience unfolds, there may be scheduling changes. Check the parish website and the parish Facebook page (or call the office) for any changes that might be made. Again, our patience with these processes will assist us in resuming our regular worship soon hopefully.

Extraordinary Ministers of Holy Communion

As we begin to slowly return to “normal” routines, Holy Communion will only resume being brought to the homebound, nursing homes, assisted living or the hospital (the most vulnerable members of our community) when guidelines and directives allow care facilities to receive visitors regularly. We want to proceed with great caution and not endanger anyone--resident or minister--during this time of communal “recovery.”

*O Mary,
we crown thee with flowers today,
Queen of the Angels and
Queen of May!*

*“I am the good shepherd, says the Lord;
I know my sheep, and mine know me.”*
