Secular Franciscans – Information Night

The Order of Franciscans Secular are lay people who strive to follow the Gospel more intensely and develop a deeper relationship with Christ in the spirit of St. Francis of Assisi. We are women and men of all ages and walks of life that engage in the same struggles as everyone else. We attempt to focus on daily conversion. We rely on the Holy Spirit to guide us and our local community of Franciscans to pray for us as we support each other. The Secular Franciscan vocation is a challenge, but the grace, love and joy that we experience and share is beyond awesome. We'd love to share that with you too, but most especially provide an opportunity for you to grow closer to Christ - even if you're not called to join the Franciscan family. If you'd like to learn more, please join us at an Information Night.
