

RETREAT SCHEDULE CONFLICT FORM

Dear Parent(s);

We understand that scheduling conflicts arise at times. In order to fulfill all of the Confirmation program requirements, each candidate is required to attend two half-day retreats in the first year and one full-day retreat in the second year. It will be your responsibility to register your candidate for another retreat. The retreat must be completed before a candidate can register for the 2nd year of the program or receive the Sacrament of Confirmation.

If you are not able to attend our retreat, please e-mail Shannon Jones at confirmation@stelizabethschurch.org and complete this form.
