

SWNBC Life Teen is a Religious Education program offered for teens in Grades 9-12 in the Southwest Newton and Benton County Pastorate. In addition to providing Religious Education classes during the school year, SWNBC Life Teen provides numerous opportunities outside of class, including service work, retreats, mission trips, and more.

Justice, Equality, Safety. Freedom. We live in a society that cries out for the injustices committed against one another, and the loudest voice is usually the one that is heard. But what are the ultimate goals of these voices? How do we respond to the complexities of injustice in a way that respects the dignity of all human persons? *Proof of Life*, the Fall curriculum produced by Life Teen International, aims to challenge and empower teens to engage in activism from a Catholic worldview. It will provide tools and action steps to help teens bring awareness, advocate, and impact change in the world while being first and foremost an activist for Christ.
