**THE FEAST OF THE ASSUMPTION** is the principal feast of the Blessed Virgin which has a double point (1) the happy departure of Mary of this life, and (2) the assumption of her body into heaven.

On August 15 each year, Catholics celebrate the Feast Day of the Assumption of Mary.

Regarding the day, year, and manner of Our Lady's death, nothing certain is known. The dates assigned for it vary between 3 and 15 years after Christ's Ascension.

The dogma of the assumption of Mary is ancient. In the early days of the Church, writings suggest that Mary did not die, or that her tomb was empty, just as Christ's was. There was debate over whether she physically suffered death. There remains disagreement over this matter to this day. But ancient sources agree that she was assumed into heaven.

We are uncertain as to the origin of the feast. It is probably the anniversary of the dedication of some church than the actual anniversary of Our Lady's death. That it originated at the time of the Council of Ephesus, or that St. Damascus introduced it in Rome is only a hypothesis.

Pope Pius XII declared infallibly that the Assumption of the Blessed Virgin Mary was a dogma of the Catholic Faith. Likewise, the Second Vatican Council taught that "the Immaculate Virgin, preserved from all stain of original sin, was taken up body and soul into heavenly glory, when her earthly life was over, and exalted by the Lord as Queen over all things."

Mary, like the saints, can hear our prayers. Since she had a special connection to Jesus Christ as His mother, we believe she can intercede for us.

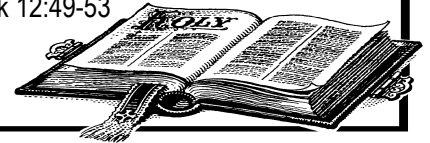

The Virgin Mary remains one of the most important figures in the Catholic faith. All people are encouraged to follow her example and emulate her devotion.

Her name is commonly given to children and taken by those making their confirmation.

Since Mary's impact as the world's most famous and powerful woman, it's easy to understand why over a billion voices around the globe will observe the holy day. (excerpts taken from www.catholic.org)
