

Dear Parents/Guardians,

Saint Mary School is now using Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoology in our classrooms starting March 2,2020 to enhance connectivity and communication across Saint Mary School.

With Schoology, students can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs, and more. As a parent, you will be able to view your child's activity within the platform.

You and your child will be given login credentials to access Saint Mary School's Schoology system. We value your participation in your child's education, and we encourage you to read Schoology's Privacy Policy & Terms of Use at www.schoology.com/privacy. Student progress and activity will be monitored by faculty to ensure a safe, secure, and controlled environment.

Attached, you will find information with instructions on how to create, log into, and use your Schoology account.

Creating your Parent Account using Parent Access Codes and Adding Multiple Children to your Schoology Parent Account (<https://support.schoology.com/hc/en-us/articles/201000883>)

Sincerely,
Anthony J Gambale Jr.
