WELCOME RETURNING SAINTS

February 2021

ADMISSION OFFICE

Dear Parents,

Funding for education continues to be problematic in the State of New Jersey. In spite of this, the Saint Mary Parish School Board will maintain a budget that retains all special area subjects, continues the upgrade of our facility and keeps class size manageable. A quality academic program that is fiscally responsible to our parents is paramount as we develop our spending plan in the future.

There are many fixed costs in a school budget and our discretionary spending is quite limited. Increased costs for support services, employee health care and benefits and the debt service required to complete facility upgrades presents a serious challenge. For FY21 the cost of education per pupil at Saint Mary School will be \$7,000 yet we will charge a family with one child only \$6,220.00. This two-percent (2%) increase in tuition leaves a difference of \$780.00 per student.

With our academic and facility objectives and the difference in tuition, we will need to increase revenue. Our revenue sources are donations, federal and state funding, parish subsidies, tuition and the SCRIP Program. We will continue our commitment to managing tuition costs by requiring all families to participate in the SCRIP Program raising \$300 in rebates per family. **Families may opt-out of the SCRIP Program by paying the \$300 per family by May 1, 2021.**

Families with multiple children will continue to receive a discount through the graduated tuition schedule. It is noteworthy that Saint Mary School is one of the few schools in our geographic area that retains this concept.

FINANCIAL AID AND TUITION PAYMENT PLANS

Families may apply for Financial Aid by completing the online FACTS application at online.factsmgt.com/aid. In addition, FACTS will be our tuition management company. All payment options will be made through FACTS whether they are one (annual), two (semi-annual) or twelve (monthly) payments. For more information about either program, please visit our website, at www.stmaryes.org, under the Admissions tab, Tuition/Financial Aid.

Please be sure to submit your Tuition Agreements with required fees by May 1, 2021. After that date, all registrants will be accommodated on a first come, first serve basis, adhering to our maximum class size policy. Thank you for continuing to choose Saint Mary School for a faith-filled, academically excellent education.

Sincerely,

Mr. Craig Palmer
Principal
