"Church Isn't Boring... You Are :)"

Paul understands too well from his own experience, what it's like to feel bored out of your mind at Mass and to put aside a relationship with Jesus Christ because it seems irrelevant, politically incorrect, or just plain prudish. Connecting with youth and young adults using insightful examples, comedy, powerful messages from Scripture, and heart-moving music, Paul challenges his audiences to see that everyone has a hunger for God in their lives, whether they realize it or not. The world often tries to present a solution to that hunger with money, sex, drugs, popularity, and power; but none of those things can truly satisfy a person's heart.

In this presentation, Paul witnesses to the fact that Jesus is alive in His Church and He invites all young people to come to know and experience His merciful and life-changing love via prayer, Scripture, the Sacraments, and in the mysterious ways that God speaks to each of us. Christ said: "I came that they would have life, and have it abundantly" John 10:10. God didn't create us to be dull, boring, prudish, and miserable... He came to set us free and show us that we're meant to live for more!

"Lust vs. Love, Counterfeit vs. Authentic"

Our culture has bought into so many lies when it comes to the topic of sex. On the internet, the movie screens, the songs from the iPod, and even the commercials we watch... We have been taught what lust is, but not what every human heart truly longs for: LOVE.

In this talk, Paul calls out the lies and counterfeits (unique to both men and women), and affirms the God-given plan and desire (via Scripture and Church Teaching) that everyone has for authentic love and relationships. Real, funny, challenging, and refreshing; this talk has left countless teens and young adults inspired to no longer settle for counterfeits and imitations, and commit to chastity as a sure means of finding happiness, and a love worth the wait!
