

An Explanation of *My Saint Story*

Candidates for Confirmation have the opportunity to choose a patron saint for Confirmation. The name of this saint is included with the candidate's name when Confirmation is conferred. This *My Saint Story* project allows the children to grow in friendship with their patron saint by researching the saint's life and by discovering the virtues that the saint lived that allowed them to grow in holiness. The goal is that the children will imitate these virtues in their lives too.

This year the children are invited to have their *Saint Stories* ready for the week of the Solemnity of All Saints so that we can celebrate the saints together when we meet on **Wednesday, November 3**.

There are up to **three steps** in this year's *My Saint Story* project:

1. Complete the *My Saint Story* template as creatively as you wish and bring it finished to class on November 3.
2. Summarize your *My Saint Story*, or choose a favorite part of it to share with friends in class.
3. **Optional:** Bring something to class to share about and to celebrate your saint. You could choose:
 - Holy cards, pictures, or medals for each person
 - A prayer or poem in honor of your saint – maybe one you have written yourself!
 - A simple self-contained snack
 - A craft project that you have done that you would like to share about
 - Something else that you would like to share!
