A Huge Thank You! How do I say Thank you enough? We are living in unknown times, yet St. Mary parishioner spirit was stirred and delivered! You spread the word, and St. Michael's parishioners wanted to help too. So to all of you...whether you donated money, veggies, dessert, containers, advertising time, picked up a meal, helped peel produce, cut cakes, bagged dinners, put up a tent, sanitized and disinfected the space multiple times, wore a mask, shared the Facebook post, made the dressing, baked the buns, filled carry out containers, ran around town picking up supplies, plus more.....Thank YOU! The spirit of the weekend was positively infectious and showed St. Mary's Parish pride to the community once again!

RESPECT LIFE

The National Day of Remembrance for the Aborted Child hosted by the Kaukauna Knights of Columbus Council 1033 will be held on at 4:00 p.m on Sunday, Nov. 8 at St. Katherine Drexel Parish (119 W. 7th St. Kaukauna). Lest We Forget: There was an interesting B.C. cartoon in the newspaper. Two little men were talking - one said 'Show me an animal that eats its young' and the other man says 'and I'll show you an endangered species.' Think about it! We have allowed over 62 million babies to be murdered. We have lost approximately one third of our younger generation because of abortion. Why do you think there is a shortage of nurses, teachers, etc.? Also, an article about a Holocaust survivor had some wonderful quotes by Mr. Steve Goebel from St. Ambrose University. He stated "...that human life is sacred. We remember the horrible suffering inflicted upon Holocaust victims...their families...to work for justice and to respect one another as children of God." Then why do we ignore the plight of the unborn? They suffer when they are aborted. Their mothers suffer anguish mentally, emotionally and physically. Our justice system does not show respect for these little ones. And yes, they, too, are children of God. Abortion is a horrible holocaust - an on-going holocaust - one we need to put to an end. People say we should never forget the Holocaust. I say that we already have since it is happening every day. It's a Holocaust of the Little Innocents. We have forgotten our little ones. - *Ruth Weber, Davenport Iowa*

SCHOOL NOTE

We have had a great start to our school year for Physical Education class. We've been outside as much as possible. We started the school year with a soccer unit. Now we are learning how to play pickleball. The kids have been working on their hand-eye coordination as they learn to use the racket. The younger students have been working on their locomotion skills, like skipping, hopping and marching. It feels so good to be back and see the students again. Thank you for all of your support.

Mrs. Missy Hofmeyer – Physical Education Teacher

*Stewardship is an
important concept for
our spiritual growth as

thanking God for all*

*His blessings by
returning to Him a
portion of the time.*

*Giving of our time
involves being with
God in prayer and
worship and
volunteering our time
in the church and
community activities
that help others.*

From the Pastor's Desk

My message to you this weekend is that you give yourself to praying that those who are elected for office: President, Senators, Representatives, Assembly persons, or any other positions in local government are people who will lead America to be a nation of peace and justice for all. As you know there are multiple opinions and some will lead to more conflict than unity. So pray that you may promote the good, pray that you may keep in mind the bible teachings of Jesus and the prophets and of course do your patriotic duty and vote. Thank you.
