Planting Seeds of Faith at Camp Tekakwitha Lives are changing in the north woods. At Camp Tekakwitha in Shawano, kids are drawn into a life of faith while experiencing all the fun of a summer camp. Faith is the common thread woven into fun camp activities like archery, kayaking and canoeing, games, water fun and more. Each day opens in the chapel with praise, worship and music. Meals begin and end with prayer and song. Camp Tekakwitha is a place that leads young people to a transformational moment. Experiencing creation in this environment can be the most meaningful factor for young campers in understanding who they are as children and as people of the Church. Please consider giving to the Bishop's Appeal. To make a donation please visit the Bishop's Appeal website at www.catholicfoundationgb.org/give, or call Tammy toll-free at 877-500-3580, ext. 8123.

RESPECT LIFE

"Government. Should Not Tell a Woman What to Do with Her Body" To suggest that there are no circumstances in which the government can tell people what to do has no merit whatsoever. Our government routinely enacts laws which prevent people from doing certain actions both to their own bodies and other peoples' bodies. By way of example, we are not legally allowed to sell our bodies for sex, or take drugs, or sell organs. However, the most important issue is that the woman's body is not the only body involved in an abortion. The baby, as a matter of scientific fact, is a separate human being from the mother with its own genetic code, blood type, and fingerprints. The fatal "choice" being made does not relate to the mother's body, but that of the innocent child. - *Pro-Life Articles*

WORD OF LIFE: "Current laws in our country fail to protect the lives of unborn children. ... People of good will must boldly stand up against this intrinsic evil [of abortion], especially when it is occurring on a massive scale, implemented in law and funded, in some instances, by the government." - *Most Reverend Joseph F. Naumann, Chair of the USCCB Committee on Pro-Life Activities, "Priorities at the Polls"*

The report also highlighted some of the changes at the school that have taken place due to the pandemic. Additional copies of the State of the School Report are available in the back of Church. You can also find it online at www.school.stmarystmichael.com. Click on the "State of the School Report" link at the top.

From the Pastor's Desk

This weekend is Good Shepard Sunday. Jesus, the Good Shepard, has shown that He takes the initiative in leading us. In turn we can show our gratitude by prayer and doing the will of Jesus. There are many reasons for us to pray: namely, for our salvation and ways that we can make this a better world. Two specific prayer needs are brought to our attention this weekend. It is World Day of Prayer for Vocations and the time for a novena of prayer for the National Day of Prayer observance on May 6. You will note the insert on the FIAT PRAYER SOCIETY. This is being promoted by the Green Bay Diocese and the Vocation's Office. Give this your prayerful support for the future of priesthood and religious vocations. Regarding the National Day of Prayer, the emphasis is on prayer for which you would want to pray. The day promotes belief in the power of prayer.
