RESPECT LIFE

Save Hyde. Save lives. Taxpayer dollars should NOT pay for abortion. The majority of Americans agree with this - both Democrats and Republicans. For 45 years, the Hyde amendment and similar laws have protected taxpayers from being forced to pay for elective abortion. The Hyde amendment has been signed into law every year since 1976, whether the Congress and the White House were led by Republicans or Democrats. The Hyde Amendment has saved nearly 2.5 million babies and mothers in difficult circumstances from the tragedy of abortion. An overwhelming majority of Americans, including low-income women and women of color who are most impacted by it, support the Hyde Amendment and laws that prevent government-funded abortion. We urge you, in the strongest possible terms, to ensure that the Hyde Amendment and all similar life-saving appropriations riders remain in place during the 117th Congress and beyond. Do not force Americans to subsidize the taking of innocent life. Oppose any bill, including any appropriations bill, that expands taxpayer funding of abortion. You may sign this petition offered by the USCCB: <https://www.notaxpayerabortion.com/>

Drive-by Shootings Product of Our Abortion Culture: There have been too many drive-by shootings recently in America - shootings claiming the lives of innocent people. No one human being has the right to take the life of another! We are upset by these killings! 'They must stop,' we say! The victims' lives were cut short before they could reach their full potential. But what has society taught these killers? Maybe we are all to blame. After all, what example have we been giving our youth? Our society has a law which says if someone is an inconvenience or is in the way or an unwelcome expense, then it's OK to kill that person. That law is called 'abortion.' The aborted babies are killed by their own mothers. There is no one to mourn their death. Where is the public outcry against these killings? That law has been in effect for 48 years! Abortion, too, must stop! - *Ruth Weber, Davenport Iowa*

From the Pastor's Desk

Congratulations to all the graduates of St. Mary and St. Michael's Parishes. Whether you are advancing to another grade level or graduating from grade school, high school or college, this is a special time in your life. For parents and grandparents be proud of these graduates and continue to support them in their life journey with prayer, friendship and encouragement. God has intended that we always see one another as family. Help the graduates know that there is a church family that they also belong to and need. Support them in their spiritual life as Jesus taught us by loving God and by loving others. Your example will have a significant impact. God bless everyone and may you have a safe summer.
