**RESPECT LIFE**

**CHANGE A LIFE!** The Crossing baby bottle campaign has come to an end! Thank you to all who participated. Did you forget to bring your baby bottles back? NO PROBLEM. Bring them to Mass and hand them to Fr. Dick or an usher or take them to the parish office during business hours and your Respect Life Group – St. Mary & St. Michael Parishes will get them to The Crossing during the next few weeks. Or, take them directly to The Crossing, 205 N. 8th Street Manitowoc, open Mon: 10-4, Tues: 10-5, Wed: 10-4, Thur: 10-6.

**Don't Blame God for Everything:** I am writing in response to a letter headlined 'God cannot be paying attention.' Why is it that people blame God whenever things go wrong, but when things are running smoothly, they ignore Him? Why not put the blame for all evil on the devil where it belongs? He tempts and leads mankind to sin. Wars are the direct result of the sins of mankind. God gave us the gift of life. Each and every baby is a gift from God to be loved and nurtured, not to be aborted or abused. Abortion is the wrong choice. It is a sin that destroys a life. The God most people know is an all good, all loving and all merciful God, all perfect and, as such, cannot do evil. He also gave all of us the gift of free-will to make our own decisions whether they are right or wrong. It's up to us to choose the path that leads to Heaven and Him. - *Ruth Weber, Davenport Iowa*

## From the Pastor's Desk

Summer has officially arrived according to the calendar. It is a time for us to relax and enjoy summer activities. During this time you may be interested in reading a good book, watching a movie or learning about how you can be a missionary disciple in the church today. Unfortunately, there are too many people who do not take any interest in their spiritual growth and some who intend to destroy the freedom of religion that our country currently enjoys. As Religious Freedom week comes to an end on Tuesday, June 29, use the remaining days to pray for continued religious freedom. History tells us that countries that do not practice religious freedom eventually fail as a country. Before that happens in America take the effort to pray and to let your representative people know your opinion about how they should decide laws that apply to the practice of freedom of religion. In the near future I will supply more information on how you can have access to material that will help you personally be informed and be a disciple of the Lord. Enjoy the summer and the freedom we still have!
