RESPECT LIFE

CHANGE A LIFE! *The Crossing* baby bottle campaign has come to an end! Thank you to all who participated. Did you forget to bring your baby bottles back? NO PROBLEM. Bring them to Mass and hand them to Fr. Dick or an usher or take them to the parish office during business hours and your Respect Life Group – St. Mary & St. Michael Parishes will get them to The Crossing during the next few weeks. Or, take them directly to The Crossing, 205 N. 8th Street Manitowoc, open Mon: 10-4, Tues: 10-5, Wed: 10-4, Thur: 10-6.

GOD BLESS AMERICA: I would like to comment on the speeches by politicians when they end their speeches by saying "God Bless America". I commend them all for saying this, but how can we ask that of God when we have pushed him out of our lives and kicked him out of our public schools and buildings? Our "laws" forbid him to be mentioned there. How can we ask him to bless us when our laws allow us to kill the unborn by abortion? These babies were gifts from God. How can we face him after some agree that euthanasia for the elderly should be made legal? Our children should have the right to talk

about God at school, sing his praises and put up nativity scenes in his honor. Maybe then our school systems and the children will improve. If we put God first in our lives and hearts, we will see the error of our ways and abortion will be seen for what it is - the slaughter of the innocents - and our elderly will again be respected and protected. We have to stop playing God ourselves, and then God will truly bless us and America. - *Ruth Weber, Davenport Iowa*

SCHOOL NOTE

My time as principal for St. Mary/St. Michael School is now complete and I have returned to retirement. It was an honor and a privilege to serve as the leader of this amazing school for the past four years. The teaching and support staff of SM/SM is hands down the best that I have worked with during my 37 year school career. The joy of being present to witness such professional excellence made my tenure here go by all too quickly. Thank you for allowing me the pleasure of working with such wonderful and inspiring students. I feel as though I gained more personally and spiritually than I was able to offer in return. I will miss everyone that I got to know here. When I first retired several years ago, my wife asked me what I wanted to do with my time. I answered, "Give back". Thank you for giving me the chance to do just that. God's Blessings!

Mr. George Smith

From the Pastor's Desk

Happy Independence Day! This day is celebrated in multiple ways. However, is the true reason for the observance really celebrated? The original signers of the Declaration of Independence truly had good intentions in mind as the United States began its growth as the land of the free and the home of the brave. Today we believe that it still provides freedom. Be thankful for that which remains and pray that its citizens will speak out and continue to promote freedoms such as freedom to worship, freedom to own property, and freedom to follow one's conscience in promoting what is a moral mandate of sacred scripture. These freedoms are being attacked by political opinions and by various organizations. Celebrate the freedoms we have and protect them going forward. Thank you and enjoy the weekend.
