RESPECT LIFE

Hearing The Cry of A Child: We were all moved by the plight of the little 18-month-old 'Lily' who was strapped in her car seat in a car that was upside down in a river in Utah years ago for 14 hours. Her mother was killed in this terrible accident. A fisherman discovered the wreck and firemen were notified. The five heroic firemen claim they each heard a voice in their heads pleading for 'help.' Within minutes after turning the car over they rescued the baby and she was on her way to the hospital and recovery. We were all thrilled! Whose voice was calling to them? Who is Lily's guardian angel? It certainly was a spiritual being - a little miracle that most certainly touched the hearts of those firemen! If only expectant mothers could hear the cry of the babies in their wombs pleading with them to let them be born! They have so much love to share! They are just as anxious to meet their moms and dads as the parents should be to meet them. They would tell you they are a real person waiting to give hugs to loved ones. They want to run and laugh and play and smell the flowers. And to the abortion doctors they would plead with them to honor their Hippocratic Oath as doctors to save lives - not to kill anyone. That is not their right; it never was nor ever will be. Just think what a wonderful world this would be if all the aborted babies had been saved. - Ruth Weber, Davenport Iowa

WORD OF LIFE: "Because of our belief and hope in the Resurrection, we can face death not with fear, but with preparation.... We prepare for eternal life by choosing to love and follow God now, in our daily lives and decisions." From the Pastor's Desk

This week I want to introduce you to FORMED, a program of the Augustine Institute. It has multiple educational movies for adults and kids. Some of the movie would be good choices for the entire family to watch together. There are educational presentations on all the sacraments and these provide an opportunity for small groups to get together to watch and discuss what they have heard and seen.

I have subscribed to this service for a year and unless you order some of the things that it offers there is no cost to you. Right now I would encourage everyone to check it out. Here is the information you need to get into the various programs: Visit FORMED.org, click "sign up", select "sign up as a parishioner". Type in the mail zip code of 54230. This applies to members of St. Michael's Parish as well. Enter your name and email address and click "submit" and you are in. Enjoy some very excellent material. This is Catholic media and does not need to be screened for your children. The children's movies include learning the ABC's and prayers. Call the parish office if you need help getting in.
