## Four Ways to Find Peace

When the world around us looks very different from what we expect, we lose the calming, soothing peace Christ wants to give us. The best chance we have for achieving peace in the midst of chaos is to move in harmony with God's will. Try these tips for a more peaceful life.

1. Don't fear what is coming next. Fearing consequences of the pandemic, worrying about nances, feeling anxious about our health or the health of our loved ones can lead to frustration and dismay. There's no peace in trying to go it alone. Instead, be open and place all your hopes, plans, and efforts at God's feet. Let him handle your concerns for you.
2. Be kind and gentle. Resentment, anger, and frustration rob you of peace. Be gentle and considerate of your neighbor. Remember, Jesus was "meek and humble of heart" (Matthew 11:29).
3. Learn to live with what you cannot control. When you let God help you rise above such things, you'll have the peace acceptance brings.
4. Consult the Church for answers. It isn't always easy for us to discern God's will, so Jesus created the Catholic Church. When it doubt, turn to Scripture, the Catechism, or a trusted priest or religious for advice. After all, helping us to achieve Heaven is what they're here for!
