What does the *Catechism* say about...?

“You Shall Love Your Neighbor as Yourself: The Fifth Commandment: You shall not kill.

485. In case of war, what does the moral law require?

Even during a war the moral law always remains valid. It requires the humane treatment of noncombatants, wounded soldiers and prisoners of war. Deliberate actions contrary to the law of nations, and the orders that command such actions are crimes, which blind obedience does not excuse. Acts of mass destruction must be condemned and likewise the extermination of peoples or ethnic minorities, which are most grievous sins. One is morally bound to resist the orders that command such acts.

486. What must be done to avoid war?

Because of the evils and injustices that all war brings with it, we must do everything reasonably possible to avoid it. To this end it is particularly important to avoid: the accumulation and sale of arms which are not regulated by the legitimate authorities; all forms of economic and social injustice; ethnic and religious discrimination; envy, mistrust, pride and the spirit of revenge. Everything done to overcome these and other disorders contributes to building up peace and avoiding war.

You Shall Love Your Neighbor as Yourself: The Sixth Commandment: You Shall not Commit Adultery

487. What responsibility do human persons have in regard to their own sexual identity?

God has created human beings as male and female, equal in personal dignity, and has called them to a vocation of love and of communion. Everyone should accept his or her identity as male or female, recognizing its importance for the whole of the person, its specificity and complementarity.

488. What is chastity?

Chastity means the positive integration of sexuality within the person. Sexuality becomes truly human when it is integrated in a correct way into the relationship of one person to another. Chastity is a moral virtue, a gift of God, a grace, and a fruit of the Holy Spirit.

489. What is involved in the virtue of chastity?

The virtue of chastity involves an apprenticeship in self-mastery as an expression of human freedom directed towards self-giving. An integral and continuing formation, which is brought about in stages, is necessary to achieve this goal.”

Summary of paragraphs 2312-2317, 2327-2347 and 2392-2393 of the *Catechism* as found in the *Compendium of the Catechism of the Catholic Church*.
